

Friday's Speaker: Put It On Pete's Tab

Put It On Pete's Tab exists to take care of those that take care of us; the essential but often forgotten workers within the hospitality industry.

In March of 2020 our friend/brother/partner Peter O'Brien passed away unexpectedly. He had money in his bank accounts that his family didn't need or want and they decided to gift it to his friends that had all recently lost income due to COVID19 restaurant closures. Along with the checks, there was a note that said they should consider this "Peter's last big fat tip.💎 The spark of Put It On Pete's Tab had been lit.

Random conversations led to an idea that we could carry on Pete's legacy of generosity and purely altruistic giving if we came together and created a community. And thus the Facebook group was born. Within 2 weeks we had over \$1000 in donations and 300 members. We officially launched as registered non profit on May 22nd and surpassed \$10,000 in contributions a little over a month later.
