Rotary Club of Sarasota Bay

Enabling our Members for Fun, Fellowship and Service to the Community and the World

Issue No.1 Vol 66 | November 2, 2021

You won't want to miss our return to in person meeting now at Bird Key Yacht Club

## Bill Johnston

Soon after 9/11, the **NYSE** was asked to provide speakers at multiple locations to talk about the impact on the market. I was elected as I was stepping down as President at the end of 2001. Talks were given to a number of analyst groups as well as on campuses. Finding the subject a little too graphic,

I created a talk which was titled "the worst two days of my life"....those days being 9/11 and Oct 19, 1987 with the market down 22.6%. The idea was to not over emphasize 9/11."

Pat Okker Ph.D is the new President of New College. See page two for more information on her fascinating program last week.

## The Secret Sauce at New College

Dr. Pat Okker talked about the values at New College being similar to the values promoted by Rotary. As a former host of a Rotary Youth Exchange student from Japan, Dr. Okker understands Rotary. We were impressed by her view on the future of New College. Enjoy her presentation by clicking the link below.

## Instructions for Hybrid Meetings

I'm happy you are here. I'm your Zoom Owl! I give a Hoot about you!

### Good Morning Class

Remember it won't be perfect!

Sign on to the Zoom link as usual. Zoomers will be able to carry on a conversation until the meeting starts about 12:15. *Your video image will be displayed on the in room TV Monitor.*

When the meeting starts Zoomers will be muted. We will have our usual opening segment and you will see the flag and 4 Way test and sing along with Mute On. Sorry! If the song leader is on Zoom he/she will sing to all of us. Roomers will sing along if the song leader is in the room.

**Announcements**  
All members may raise their hands to make an announcement. Happy Dollars will include Zoomers and you will unmute when called on. Roomers will be able to hear your remarks as well as see your video image on the in room TV monitor.

After Happy Dollars, Roomers and Zoomers sound will be muted for the program speaker introduction. Remember Zoomers, you will be visible to everyone unless you turn off your camera feed.

Zoomers will see any PowerPoint on Zoom and you will be able to hear the speaker. If there are issues let the CoHost know so they can notify us in the room to try and work out any problems that may happen. Remember we are not perfect!

The Q&A will be as usual with Roomers and Zoomers will be asked to unmute when called on by the President or speaker. Remember it will take some time to work out all the issues but we value your interest and participation on Zoom as well as being in person.

If you click the link picture above you will be able to explore the best way to enjoy the Hybrid meeting. We are going to try to make this work with your help.

 **Details will be coming soon**
