TBRCITW is back and we are Zooming Baby! We had GREAT attendance last week if you missed us! There were 79 people in the meeting, including **Yoren** in Belgium and **Marley** in Slovakia...how cool is that? **Ed Dalton** took roll and you will receive credit. If you weren't there, we hope you can make it this week. If you are having technical issues or need ZOOM help let **Vickie** or **Ed Dalton** know. We heard from three of our members who shared with us updates and info for us to use and to share with those who need it. First up was **Todd Hickey** who not only had a few handy recipes for us but also to let the club know that the Marriott closes Tuesday (today) until this passes. **Bruce Jones** also shared with us what measures Vicar's Landing is taking to limit COVID-19 exposure. Last up was **Julie Kurtz**, who provided insights and data concerning the law. She also encouraged everyone to spend a

little time to make certain the family will, POA, medical directive, etc. are up to date. Thank you to **Todd, Bruce and Julie** of taking the time to provide us with some very useful information. This week it's: SHOW US YOUR PETS! We will also be joined by Rotarian and District 4 Commissioner **Jeremiah Blocker**.

April 16th Program: We're Zooming!

Join us for Guest Speaker: Fellow Rotarian, Jeremiah Ray Blocker, District 4, Vice-Chair as he shares news re: the County Commission.

Agenda:

1. Invo, Pledge, Sunshine Announcements
2. Show us your pets! If possible let Vickie know ahead of time if you want to, so she can be a bit prepared.
3. Foundation Update
4. Speaker: County Commissioner **Jeremiah Blocker** will speak to us on the latest meeting of the County Commission and take your questions - PLEASE EMAIL Vickie QUESTIONS AHEAD OF TIME - she will try to use the raising your hand function during the meeting...but it gets wild!
5. Five Way Test

A note from our President: I am saddened to inform you that COVID-19 has come close to home for us. I received an email from **Jennifer Logue** this weekend. Both of her parents are in a nursing home in Massachusetts, and both have contracted the virus. Jennifer's parents have been married for 65 years....as you can imagine she is devastated. Jennifer let me know she is a strong believer in the power of prayer, and that she is not giving up on them. "My parents are fighters" she wrote. Leave it to our head TBRCITW cheerleader to keep a positive attitude. We ask that you please lift Jennifer's family up in your prayers during these challenging days.
