What a fantastic meeting last week and happy hour to boot. Check out the virtual HH the ladies of TBRCITW shared last week. How awesome to see so many smiling faces! (was it the wine?) We heard some pretty hilarious postcards from the edge..yikes a snake in the mailbox. *No thank you!* If you missed seeing the project Vickie gave us- which was to share pics of us as little ones don't fret you can still head over to our website for a laugh! We also heard a thorough update from our very own **Doc Renuart** regarding COVID-19. Thank you for sharing your updates and insights. Additionally, Vickie shared news that we doubled our impact with BEAM- a collaborative effort with Beaches Rotaract and a District grant! Organizations like BEAM

## GUESS WHO!

## GUESS WHO!

have been hit hard with helping families all across our community and this is just a small way of helping them fulfill their mission. We were also joined by guest speaker Michael Huyghue who shed some light on the NFL Draft and the ever changing business of sports. One story that struck me was the one re: Fred Taylor who showed up looking a little rough before getting off the plane in Jax. Not to worry Rosenbloom's in a pizza box to the rescue.. Great stories from a true pioneer in the sports industry.

## April 30th Program: We're Zooming!

*Guest speaker:* Brian Golumbeck, OPTIV Cyber Security will speak about challenges presented to companies and governments. Brian Golumbeck, Executive Director, Risk Transformation at Optiv, Inc. is an accomplished leader and results orientated, collaborative, problem solver with over twenty years of experience in information technology, security, and risk management. He leverages his foundation in network and security technology, combined with his 15+ years of experience in management to build relationships, transform organizations, deliver cost efficiencies, and reduce risk.
