It was a very happy birthday to our beloved **President Vickie** last week if you missed us! **Matus** even played happy birthday while all 86 who zoomed in sang along. **Emily Rhodin** shared with us that our winner for the Mineral City trip raffle would be announced on FB Live on Saturday...guess who our big winner is? **Clare Berry!** We are so

excited for you and can't wait to find out which destination you

pick! Speaking of Mineral City please be mindful of your outstanding balances for tickets, etc. we want to get that money collected so we can start allocating it to those who need it most. Kudos to **Dr. Wayne Gordon** who updated us on

the EarlyAct team and their successes. You are doing a tremendous job with those kids!

Check out their video here: <https://vimeo.com/414972550>. We heard a fascination presentation from Dr. Daniel Robe, a surgeon with Nemours Children's Specialty Care-Jacksonville, who successfully oversaw the precarious separation of conjoined twins Conner and Carter Mirabal which was arguably was one of the most celebrated moments across the health care landscape of Northeast Florida.

How about we do better than that?
