A great kick off to a new Rotary year last week with our new club President **Sam Hall**. The meeting was an in-depth overview of the 2020-21 Board and committee chairs. We heard from chairs regarding plans for the upcoming year along with a sneak peek of the theme for the Mineral City 2021-'Boots and Bourbon'! I like the sound of that and look forward to all the updates on the clubs largest FUN-raiser. This past Saturday Rotary International Director **Stephanie Urchick** facilitated part of our Strategic Planning workshop. 'Demystifying Rotary's Strategic Plan' was her topic. The workshop was an opportunity for us to review current club status, mission, values, and vision along with a SWOT analysis and break-out sessions. We ended with action plans for the upcoming year that will only enhance TBRCITW! Its imperative that I take a moment to thank **Sam Hall** and **Julie Kurtz** for working so tirelessly to put together such a great planning session.
