A beautiful rendition of America the Beautiful from TBRCITW band! Thank you for kicking off our meeting in the best fashion. Rotaract president **Sean Conley** and past president **Rachel Daven** shared with the club their annual wrap up of the past Rotary year. We also welcomed home **Marley** from her RYE in Slovakia. Our speaker was Dr. Nat Glover who was a Jax Sheriff for eight years, Florida's first black sheriff in the 20th century. Having lived a life of justice, Dr. Glover shared some very real facts surrounding our correctional system as well as statistics regarding race relations and our local law enforcement. **Jon Blauvelt** is the president of D6970 Alumni Association. One of their initiatives

includes "Rotary Feeding Heroes" is a fund-raising service project that will support both frontline health care workers and local black businesses. More specifically, the support from this project will be used to buy meals from black-owned restaurants in Jacksonville. These meals will in turn be delivered and donated to health care personnel managing coronavirus patients at UF Health Jacksonville. July 23rd Topic: *Our local court system*

Brandon Patty, St. Johns County Clerk of the Circuit Court and Comptroller Brandon Patty appointed in December 2019 by Governor Ron DeSantis, Brandon Patty serves as clerk of the circuit court and comptroller for St. Johns County. In this role, he manages a \$7.5 million budget and a staff of 100 responsible for more than 1,000 constitutional and regulatory duties – everything from maintaining court records to issuing passports and marriage licenses. Since his appointment, Patty has reinforced the office's focus on providing superior customer service, serving as auditor and custodian of county funds, maintaining county records and partnering with the court system on behalf of all St. Johns County residents. Patty brings significant leadership and management experience from the private sector and the military to his role as clerk of court and comptroller. In addition to serving most recently as director of operations for St. Augustine-based Defenshield, he worked with some of America's largest companies as a consultant for Deloitte. Previously, he served as a special assistant to Gov. Jeb Bush and as policy director for U.S. Sen. Marco Rubio. A lieutenant commander in the U.S. Navy Reserve, Patty has served on active duty at the National Maritime Intelligence-Integration Office in Washington, DC and in the Middle East in support of Operation Enduring Freedom. He currently serves as an Information Warfare Officer at Naval Air Station Jacksonville. Patty is a second-generation Floridian and the first member of his family to graduate from college, earning a bachelor's degree from George Washington University and a master's degree from the London School of Economics. He lives in St. Augustine with his wife Brittney, stepson Mason and their two dogs, Roscoe and Howie.
