If you missed us last week don't worry I got you covered. Mark your virtual calendars for a virtual Happy Hour hosted by our president **Sam Hall**. Details: This Friday, 8/7 join us for HH in the comfort of your own home with **Sam Hall** and TBRCITW. The fun starts at 5:30pm. **See you there!** I also have two more bits of great news...**Clare Berry** is now a grandmother!!!! Please meet Joy Rhodes Berry. Please take a minute to congratulate Clare the next time you see her.

Also a BIG shout out to **Mary Marx**, CEO of Pace Center

for Girls for being named one of Jacksonville Business Journals' Best Places to Work for 2020. *Well deserved!* Our speaker last week was a long time guest and supporter of TBRCITW Cyndi Stevenson. She is a member of the Florida House of Representatives, representing District 17. She assumed office in 2015, her current

term ends on November 3, 2020. She spoke to the club about the states budget and how COVID-19 has affected the state budget positively and negatively. After slashing \$1 billion from the Florida Legislature's previously approved \$93.2 billion state budget, the governor signed the new budget with the vetoes for the upcoming year. It will be interesting to see the budget for 2021....

Jon Blauvelt is the president of D6970 Alumni Association. One of their initiatives includes "Rotary Feeding Heroes" is a fundraising service project that will support both frontline health care workers and local black businesses. A note from **Mary Anne Thomas:**

We are seeking volunteers to help fulfill our mission, especially during the next few busy hurricane months. There are a number of open houses in the next month for those interested in learning more. Turn Compassion Into Action! Find Out How YOU Can Become a Red Cross Volunteer Today!

Volunteers carry out 90% of the humanitarian work of the Red Cross. Whether helping one displaced family or thousands, providing care and comfort to an ill or injured service member or veteran, or teaching others how to respond in emergencies, it's through the efforts of ordinary people that we can do extraordinary things. The Red Cross responds to an emergency every 8 minutes, and our vital work is only possible because of people like you. *See more info in the attachment!*
