BEAM recap: A BIG thank you to all the members of TBRCITW who volunteered and supported 'Back to School with BEAM'. BEAM served over 900 local students, outfitting them with a new backpack, school supplies, underwear, healthy snacks, and vouchers to receive shoes, clothing, and a fresh haircut.

#ServiceAboveSelf. We also heard from our RYE

Marley McCauley who has just returned from her exchange experience in Slovakia. Thank you for sharing such great pics and stories with us!

Our guest speaker last week was Vickie Oaks, SJC Supervisor of Elections. Considering TBRCITW is a group of 'Super Voters' we know a thing or two about the voting process but its always important to have a refresher especially during these fluid times. To learn more visit: <https://www.votesjc.com/> Voting is an honor and right to all of us, its also important that we play our role in that process by encouraging everyone to get out and vote! Early Voting

Social distancing "graduation" and our final meeting

ends Saturday, August 15th. Speaking of voting-don't forget to cast your ballot for PV Recorders Best of the Best. More on page two of the Rote. Your vote is your voice-so get out there and let your voice be heard!

Rotary Feeding Heroes

Rotary Feeding Heroes!

Jon Blauvelt is the president of D6970 Alumni Association. One of their initiatives includes "Rotary Feeding Heroes" is a fundraising service project that will support both frontline health care workers and local black businesses. More specifically, the support from this project will be used to buy meals from black-owned restaurants in Jacksonville. These meals will in turn be delivered and donated to health care personnel managing coronavirus patients at UF Health Jacksonville.

Virtual Meeting Etiquette

Virtual meetings should be approached in the same manner as in-office, in-person meetings - with professionalism and business presence. Examples of behaviors to avoid on camera or in a manner that others can hear: lying in bed, preparing meals in the kitchen, going to the restroom, watching TV, having conversations with other people, or eating (unless the host encourages eating, such as during a breakfast or lunch meeting). Additional reminders for professional behavior during virtual meetings are below.

MINIMIZE NOISES

Mute yourself if you are not talking - microphones can pick up all kinds of sounds from your typing, to the rustling of your shirt, or taking a sip of coffee.

Turn off notifications - each ping is a distraction to you and meeting participants.

PREPARE FOR YOUR APPEARANCE

Set up good lighting - turn on the lights, sit near a window (not directly in front of it), or have a bright lamp nearby.

When speaking look into the camera. Eye contact is important in virtual meetings as well - it conveys professionalism, confidence, and a positive attitude.

When moving around, walking, or standing up turn off your video.
