We celebrated **Ken and Laurel Smith's** 61st wedding anniversary last week...Just WOW! We also heard a fantastic presentation from one of our **RYE students Zuly**. Sounds like you had a truly wonderful experience in Taiwan. Our guest speaker last week was Tim Forson, Superintendent of Schools for SJC.

He shared with the club all the challenges teachers,

staff, students and parents are facing in today's ever changing climate due to COVID-19.

SJC schools have planned for both virtual and brick and mortar learning formats, continuing to refine the state approved COVID-19 Return to School Plan. Regular screenings by parents at home as well as students being required to wear facial masks are just a few of the requirements and expectation for parents and students. It will be a different world for everyone involved and we hope that the year will go as smooth as possible for our students.

***Mark your calendars to join **Glenn Barr** for Ecology Day Saturday, September 12th. We will meet at 7:45am in the parking lot near Larry's Giant Subs 830 A1A N. Coffee and doughnuts provided— then, off to clean the roadside at 8:00am. Cleanup bags, safety vests, and pickup tongs will be provided. Please make sure to bring your own masks. This is a great time of fellowship with other Rotarians!

August 20th Topic: Affects of Covid-19 on the future of the travel

Rotary Feeding Heroes!

Jon Blauvelt is the president of D6970 Alumni Association. One of their initiatives includes "Rotary Feeding Heroes" is a fundraising service project that will support both frontline health care workers and local black businesses. More specifically, the support from this project will be used to buy meals from black-owned restaurants in Jacksonville. These meals will in turn be delivered and donated to health care personnel managing coronavirus patients at UF Health Jacksonville.

Virtual Meeting Etiquette

Virtual meetings should be approached in the same manner as in-office, in-person meetings - with professionalism and business presence. Examples of behaviors to avoid on camera or in a manner that others can hear: lying in bed, preparing meals in the kitchen, going to the restroom, watching TV, having conversations with other people, or eating (unless the host encourages eating, such as during a breakfast or lunch meeting). Additional reminders for professional behavior during virtual meetings are below.

MINIMIZE NOISES

Mute yourself if you are not talking - microphones can pick up all kinds of sounds from your typing, to the rustling of your shirt, or taking a sip of coffee.

Turn off notifications - each ping is a distraction to you and meeting participants.
