Lots of district highlights last week if you missed us! We first recognized all the outstanding members of TBRCITW that helps to strengthen District 6970. Check out these amazing humans working tirelessly to impact our communities through Rotary.

Our guest speaker was DG **Rich Turnbull** who shared updates and insights into all the happenings on the district level. He also

took time to congratulate our club on being one of the most dynamic clubs in the district. That's definitely something we can all be proud of. He shared with us his dedication to disaster relief as well as the impact polio had on his wife, Marie and her family in 1948. If you haven't done so please take a few minutes to head over to our district's website-

it's loaded with news and activities for you to check out: <https://rotarydistrict6970.org/>. Thank you to our DG for your leadership and dedication making the Crown District the best we can be! Club update on page two of the Rote so make sure you read the notice!

## September 10th: Brian Sexton Update on the 2020 NFL and Jaguar Season

Early on, Brian learned that the ability to build a relationship with a player, coach or fan is far more important than simply being heard or seen by them. He traveled the southeast promoting the Jacksonville Jaguars and building their radio network. But more importantly, he built on the idea that the quality of one's life, income, or ideas is dependent on the quality of a person's ability to communicate. Hot afternoons on the practice field, sweaty postgame locker rooms, intense conversations with

coaches and general managers under fire, hostile callers to talk shows and innumerable evenings on stage as an emcee or charity auctioneer helped Sexton refine the ability to speak with people... not at them... and to build relationships that would last. The more time he spent working to improve his communication skills, the more he realized he could help anyone be at their best whenever they opened their mouth. Along the way Brian married Jennifer and learned that sometimes the best form of communication is a silent smile instead of saying anything at all. These days his sons Keegan (14) Rian (10) and Kolbe (9) challenge him in sports, Scouts or simply hanging around their Atlantic Beach, Florida home. Brian is an Eagle Scout and was awarded the Silver Beaver for outstanding service to youth by the North Florida Council of the Boy Scouts of America. He is active in the Cursillo Movement in the Diocese of St. Augustine and is a 2nd degree black belt and Tae Kwan Do instructor.

**A note from our Club President:** In an effort to maintain good membership retention, I made the decision to offer our members a “Hybrid meeting’ format at our last meeting. Eight of our past presidents were on a proposal that would allow our club to offer this process. Trusting the advice of those who have served in this position that I now hold, I made the decision to offer the hybrid meeting. We are now offering both virtual and in-person meetings. By offering a hybrid meeting format, this will give

individual members the option to continue attending the meetings virtually via Zoom or in-person at Marsh Landing. I will follow the recommendations from Rotary International and remain meeting with you virtually. Rotary International in response to the global COVID-19 pandemic agreed to the following recommendations and general principals:

**\*\*\*No in-person meeting or event shall be mandatory for any Rotary participant who feel uncomfortable attending because of the pandemic.** The health and safety of all participants in Rotary programs, meetings, and events is of paramount importance.

Those who wish to continue with Zoom meetings may do so. Those who want to meet in-person may do so with up to 50 ppl in attendance. A SignUpGenius has been circulated before our next meeting for you to indicate your selection.

You can also sign up by clicking below:

**We will still be emailing everyone the Zoom meeting details for our upcoming meetings . Please be on the lookout and let us know if you do not receive an email from**
