Appointed
Toni Boudreaux
Toni Chrabot
Beverly Flanagan

A great looking group of members from TBRCITW came out for Ecology Day this past Saturday. Thank you to **Glenn Barr** for coordinating the efforts! As we continue to monitor CDC guidelines and work toward getting back to doing more things together as a group its more important than ever that we are mindful of our community services opportunities.

As a service organization is a part of our

motto to give back and remember 'Service Above Self'. **Beverly Flanagan** works hard behind the scenes to put together opportunities for all of us to do our part safety and we need to support her in those efforts. Be on the look out for more service projects coming up!

Also, next week I will feature **Ashley Dopf** distributing necessary funds to organization such as: Dial-A-Ride, BEAM, PACE, Beaches Habitat for Humanity and more. Thank you to Ashley for sharing some great news and helping to spread some love and support to these organizations!

September 17th: Non-Profit Day!

Lori Richards serves as Executive Director of Beaches Emergency Assistance Ministry,

having joined the organization in October, 2017. Prior to coming to BEAM, Lori was the Executive Director of the PACE Center for Girls Volusia-Flagler Counties and had a long tenure with the Girl Scouts of Gateway Council serving as the Cookie Sale Director and Chief Operating Officer. At the beginning of her Girl Scout career, Lori was the Beaches Membership Executive. Lori is a graduate of Salem College in West Virginia and holds a Master of Nonprofit Management from the University of Central Florida. She is married to Steve and they have three children. Lori and Steve enjoy sailing aboard their 38 ft. sailboat. Lori has been a member of Rotary for many years and is a Paul Harris Fellow.

Sue Goebertus, serves as the Education Director of Beaches Habitat for Humanity, and has managed the after school tutoring program for children in grades K-5 at Beaches Habitat since 2010. With a Master's Degree in Reading Education, she began her affiliation with the education program as a volunteer in 2004 while she taught as an adjunct at Jacksonville University and the University of North Florida. Her work has included training community volunteers to tutor children individually in

reading at the two community centers located in Atlantic Beach. In addition to developing the tutoring program, she directs enrichment activities and supervises UNF Education interns completing their capstone experience for their education degrees.

Learn all about our president, **Sam Hall** in the latest Ponte Vedra Recorder. He is featured in the 'One of Us' section and chats about his career, hobbies and most importantly his dedication and commitment to Rotary. Don't get the PV Recorder? No worries- you can click the link [here](#) to read the article in its entirety. Thank you to **Jon Blauvelt** and **Jennifer Logue** for you continued commitment to the TBRCITW showcasing the talents and treasures of our members.

A note from our Club President: In an effort to maintain good membership retention, I made the decision to offer our members a "Hybrid meeting" format at our last meeting. Eight of our past presidents were on a proposal that would allow our club to offer this process. Trusting the advice of those who have served in this position that I now hold, I made the decision to offer the hybrid meeting. We are now offering both virtual and in-person meetings. By offering a hybrid meeting format, this will give

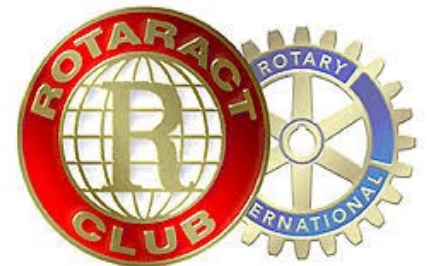

individual members the option to continue attending the meetings virtually via Zoom or in-person at Marsh Landing. I will follow the recommendations from Rotary International and remain meeting with you virtually. Rotary International in response to the global COVID-19 pandemic agreed to the following recommendations and general principals:

*****No in-person meeting or event shall be mandatory for any Rotary participant who feel uncomfortable attending because of the pandemic.** The health and safety of all participants in Rotary programs, meetings, and events is of paramount importance.

Those who wish to continue with Zoom meetings may do so. Those who want to meet in-person may do so with up to 50 ppl in attendance. A SignUpGenius has been circulated before our next meeting for you to indicate your selection.

You can also sign up by clicking below:

<https://www.signupgenius.com/go/8050945aba623a0fa7-pvbrotary>

We will still be emailing everyone the Zoom meeting details for our upcoming meetings . Please be on the lookout and let us know if you do not receive an email from

President Sam Hall with

Instructions.

Thank you!

1. Put "Service before Self" and please consider becoming or continuing to be a Rotaract Mentor. By volunteering you will help to guide a young person in Rotaract to a successful career.
2. Limited time required-one meeting (phone, Zoom or in-person) per month (September thru June).
3. Join Rotarians who have already volunteered and are continuing from last year: **Marc Ressler, Paul Cosgrave, Rosemary Takas, Rick Tyron, and Sherry Mahoney.**
4. If interested, please email **Paul Cosgrave** at cosgravep@aol.com this week. Mentorships will be formed in September.
