A BIG week if you missed us! Non-profit week was a success with presentations from BEAM and Beaches Habitat. Another group in the news: Rotary District 6970 Alumni Association. Our very own *Jon Blauvelt* President of the Alumni Association shared this recap: Thanks to your generous donations, we provided about 100 meals to health care workers at UF Health Shands in Jacksonville yesterday, while also supporting local, Black-owned restaurants, Taste Grace and Mr. Potato Spread. The intention of this project has always been to demonstrate the power of Rotary to advance peace and goodwill. Thanks to your support, I believe we did exactly that yesterday. No matter the challenge- a global pandemic, widespread hate on both sides, a nor'easter- there will always be an opportunity to bring people together around Rotary values like empathy and service and inspire that action in others. *Great job!*

Another opportunity to do the most good in the world! If you missed the note last week we celebrated funds

being distributed throughout the First Coast to organization's that need it most. Here are a few pics of **Ashley Dopf** spreading funds allocated to these non-profits from monies raised from our Mineral City Celebration.

Organization such as BEAM (The Beaches Emergency Assistance Ministry) whose mission is to provide emergency assistance and a path to economic stability, Beaches Habitat for Humanity whose mission is seeking to put God's love into action, Habitat for Humanity brings people together to build homes, community and hope. PACE Center for Girls: Pace provides academic education through individualized progress monitoring plans and daily instruction taught by certified teachers. All educational initiatives align with requirements of the local school district and lastly, Dial-a Ride who provides transportation for homebound seniors and people with disabilities in the beaches area since 1975. All of these organizations are critical to our communities and we are so thankful for all the people who help make these missions a reality to the people they serve.

**Please remember :** In an effort to maintain good membership retention, President Sam Hall has made the decision to offer our members a "Hybrid meeting" format at our last meeting. Eight of our past presidents were on a proposal that would allow our club to offer this process. "Trusting the advice of those who have served in this position that I now hold, I made the decision to offer the hybrid meeting. We are now offering both virtual and in-person meetings. By offering a hybrid meeting format, this will give individual members the option to continue attending the meetings virtually via Zoom or in-person at Marsh Landing. "I will follow the recommendations from Rotary International and remain meeting with you virtually." Rotary International in response to the global COVID-19 pandemic agreed to the following recommendations and general principals:

**\*\*\*No in-person meeting or event shall be mandatory for any Rotary participant who feel uncomfortable attending because of the pandemic.**

The health and safety of all participants in Rotary programs, meetings, and events is of paramount importance. Those who wish to continue with Zoom meetings may do so. Those who want to meet in-person may do so with up to 50 ppl in attendance. A SignUpGenius will be circulated before our next meeting for you to indicate your selection.

We will still be emailing everyone the Zoom meeting details for our upcoming meetings . Please be on the lookout and let us know if you do not receive an email from **President Sam Hall** with instructions. *Thank you!*
