## **November 19th:**

Dr. Sylvia Whitlock was born in New York City but was educated, through high school, in Kingston, Jamaica. After returning to New York City, she earned a B.A. in Psychology from Hunter College. Sylvia worked for the United Nations, as a Statistical Clerk, at the Secretariat Building in New York, before moving to California to start a career in Education. In California, she went on to earn a Masters Degree, cum laude, in Education from Cal Poly, Pomona, and a Ph.D., cum laude, in Education, from Claremont Graduate School. Subsequently, she earned another Masters Degree, in Marriage and Family Therapy, from Azusa Pacific University, and began a second career as a therapist. She is licensed by the Board of Behavioral Sciences in California. In 1982, while an Elementary School Principal in Duarte, CA., she was invited to join the history-making Ex-Rotary Club of Duarte. Sylvia became President of that club in 1987, the year the United States Supreme Court ruled that the club be reinstated, thus making her the first woman in the Rotary World to head a club as President. She has served as President twice, Secretary, Treasurer, and Foundation Representative. At district level, she chaired the Four Way Test Speech committee for six years, the Ambassadorial Scholarship Committee for six years, receiving a Service Award from DG Don Aikin, and Simplified Grants for two years. She has been an assistant governor, presenter in Governors Institutes, and speaker in Rotary Clubs conventions and meetings, here and overseas, including South Africa, Jamaica, Washington and Texas. Sylvia considers Rotary to be the best vehicle she knows for humanitarian ventures in service to mankind. Some favorite club projects, while in Duarte, have included sinking water wells in Nigeria, setting up an AIDS Center in Jamaica and supporting an orphanage in Mexico. She continues to be inspired by the many Rotarians who have taken the organization to the edge of tomorrow and is committed to using the opportunity she has been given to further the cause of Rotary, in her community, in her country, and in the world. Sylvia is a multiple Paul Harris Fellow and benefactor.
