We hope everyone is off to a much start to 2021! Check out a few pics from the Christmas event at the Marriott. It look like it was indeed *Merry and Bright!* Thank you to everyone who participated in the drive by drop off to BEAM and also HUGE shout out to **Todd Hickey** and his amazing staff for putting together such a fun night for TBRCITW– thank you! Make sure to check out the attachment to the Rote for *Rotary Works* and sign up. An important component of the Rotary Works initiative is to provide career coaching for Rotarians and Rotaractors who are seeking to start a new career, change their career focus, change jobs or even start their own business. A great to start to jump start a successful 2021!

January 7th:

Christina Mershell is the Business Development Coordinator who has been working in Proton Therapy for over 10 years. She has been with UF Health Proton Therapy Institute for over 7 of those years. Her focus has been on providing patient support services and community outreach. Join us to discuss proton therapy, a targeted form of radiation therapy. Find out how proton therapy works in a virtual tour of the UF Health Proton Therapy Institute and a discussion and Q&A about who can benefit from this technology with Christina Mershell.

You can check the link below to learn more about how Proton Therapy Works: <https://www.youtube.com/watch?v=s4lgDRnvwU&feature=youtu.be>
