#ServiceAboveSelf. We heard from Jay Stowe, CEO JEA. JEA is a not-for-profit, community-owned utility serving an estimated 478,000 electric, 357,000 water, 279,000 sewer and 15,000 reclaimed water customers. JEA is not owned by

investors. It was created by the COJ to serve those who live in Jacksonville and in the

surrounding communities. Did you know that JEA team members complete more than 45,000 water tests every year to help ensure your water is safe! To learn more visit: [jea.com](http://jea.com).

Rotary Clubs of Jacksonville

Oceanside and PVB Ponte will come

together for a joint social event at

the Beaches Museum on August 17th. Attendees will enjoy the current exhibit "Celebrate and Explore our Wilderness Parks", a traveling exhibit by the Timucuan Parks Foundation. The fun starts at 5pm. Thank you to **Clare Berry** for sponsoring this great event! RSVP by August 13th by emailing **Chris Hoffman** at: [g8rchr@gmail.com](mailto:g8rchr@gmail.com).

### August 12th Program:

Bob Wiltfong is a Rotarian from the Rotary Club of Ponte Vedra outside of Jacksonville, Florida. He is part of a growing number of people in the country who have hyphens in their job titles. Bob's current one is public speaking consultant-author-content creator specialist. Before that, Bob was an Emmy award winning TV news journalist and a correspondent on The Daily Show with Jon Stewart. With this experience, Bob has spent 20+ years consulting various Fortune 500

companies on public speaking skills. As you might imagine, this background has made him a hot commodity for training businesspeople on webcam presentations these days. Some of his most recent clients include Lowe's Home Improvement, the US Army and the IRS. Bob is excited to share his knowledge with fellow Rotarians!

*Let's Get Social*

Check out a few more check presentations from monies raised during our MCC. Simply amazing to see the impact TBRCITW has on our community.
