Lots going on with TBRCITW! We saw **Bruce Jones** in all his baby glory last week with our latest Ooh Baby Baby! We also head a fantastic update on the Guatemala Water Project from super star **Sherry Mahoney**. Thank you! **Beverly Flanagan** also presented a blue badge to

Bill Eagan. Congratulations! We Still Need Mentors! The young professionals of Rotaract are seeking PVB Rotary mentors. Please

consider serving as a mentor this year. Your time commitment will be minimal but the impact of sharing your wisdom is significant. Typically, mentors are asked to communicate with their mentee once a month; how and where is up to you. Please respond today by email to: toni.chrabot@yahoo.com, with subject line "Mentor."

We heard from MaliVai Washington who was our MC's Rock of the Community. His foundation has been providing youth development programs in Jacksonville, FL since 1996. Having a structured environment where students are safe and supervised is a critical community need. His foundation offers a variety of

programs designed to ensure that children and families are supported academically, physically, mentally, emotionally and socially. Lastly, check out some pics from the District Conference. Looks like we took home some awards!

November 11th Program: Veterans Day

Join us for a very special program to honor and celebrate members of TBRCITW that have served and sacrificed for our daily freedoms.

We will hear from veterans: **Mike Linnington, Bill Hill, Doc Renuart, Tom Veltri, and Chris Eckols.**

We will also present them with a few tokens of appreciation and ask that

you arrive promptly at **7:30** so we may begin our program.

A note from our president: 'I urge everyone to join us in honoring our vets on Thursday. We have a special program planned and hope to see you there.'
