We hope everyone had a wonderful Thanksgiving! As we turn our attention to December we have to take quick peek back at our last meeting. Congratulations are in order to **Ken Smith** who celebrated his 51st Anniversary in Rotary. That is incredible! We also heard from Greg McGarity, CEO of Gator Bowl Sports who shared insights into the game. TBRCITW had a few get togethers

since last we met for a meeting and we hope you made it to one of them. Pharr's Phollies was a HIT! Pics on page two and Night of Lights was Sunday! Thank you to **Jennifer Logue** for coordinating. Looked like a great time! The Rotaract/Rotary Mentorship Kickoff is December 7th from 5:15-7pm at Casa Marina in Jax Beach. The kickoff coincides with the regular Rotaract meeting.

Mentees, you are encouraged to make direct contact with your mentor in advance of December 7th. Coordinate attendance at the kick-off, and get together before hand. Most of all- have fun!

December 2nd: Program:

Billy Wagner is accustomed to winning insurance industry accolades, and he views his success as a beacon for those in need. When he set out to raise funds for the Folds of Honor, he authored a book on Insurance, a subject he knows best. His Book "Insuring your peace of mind" has raised over 30,000 for Folds of Honor. Supporting Folds of Honor is a way for him and all of us to prove that our American Heroes' sacrifices will never be forgotten.

Billy Wagner was a pioneer with Brightway Insurance and helped start the franchise in 2006, His agency in PV is now recognized as one of the top-selling agencies in the U.S. With the support of his amazing team, he has achieved many milestones:

-He has served as a Board member for FAIA, representing over 5,000 agents in Florida.

-IA magazine featured him as an example of giving back and success in the industry

-4X winner of Agency of The Year

-He has been a Big Brother in the Big Brother Big Sister Program for ten years and was recently chosen as Big Brother of The Year.

-He has spoken to 1000's of people on Building a Profitable Team, Building a Referral Based practice, and a Masterclass on running a successful business.

Billy is obsessed with saving time and simplifying his life and he is going to share with us how he saved 20 hours of time each week through a unique set of strategies. He is going to show how to create an ideal schedule, how to organize giving back to our community, and many other tips on how to simplify your life so you can spend time on the things that truly matter.
