Letter from President Clarence

By Clarence Hill on Friday, August 9, 2019

Despite the threatening weather, The Beaches Health Jam was well attended. Thank you to the many vendors, sponsors and participants who made it successful. A huge thank you to the many Oceanside Rotarians who volunteered their time-Guzman, Chris and Kelly were everywhere, George Garcia for organizing and pitching the kickball game, Raymond for delivering everything from the Beaches Museum and returning it, and all the other Rotarians who manned the many stations and were instrumental in the success. A shout out to Vickie Cavey and the Ponte Vedra Beach Club volunteers. And of course, our Interact volunteers who are so willing to help. This truly demonstrated to the community that Oceanside Rotary is about Service Above Self. The weather did cause us to end the Health Jam about 45 minutes early.

Ben Tidwell gave an excellent presentation on his world-wide work. I am not sure the public appreciates the extent of the problem many countries have with the basics-clean water, sanitation, basic health issues, etc. His efforts can make us all proud. We wish Truckee well as he is off to complete his training-he will be missed. School will be back in session this coming week, so be alert on the roads and thank a teacher when you can. The Rotary Means Business Wine & Cheese networking event is this Thursday at Hanania Audi.

District 6970 is holding a People of Action contest this year, divided into quarterly winners. To enter, email Davey Hartzel, District Public Image Chair (David_Hartzel@icloud.com), 3 photos that show great fellowship or a great service project. Each picture must have energy, heart appeal and the Rotary wheel. First quarter inputs are due September 30. Quarterly winners receive 1,000 Paul Harris Fellow points and are entered to win the end of year grand prize of 2,500 points.

The third Strategic Plan goal is **enhanced participant engagement**, making sure that Rotarians have experiences that are personally and professionally relevant and fulfilling. This is why President Maloney believes so strongly in building a more family-friendly Rotary one that welcomes children to our activities and that is considerate of families in our scheduling. Let us recommit to putting the needs, expectations, and growth of our participants at the center of all we do.

2019 Beaches Health Jam!

By Christine Hoffman on Saturday, July 13, 2019

Thank you to everyone who came out and helped with Beaches Health Jam! We had dozens of organizations involved and hundreds of community members came out for health information and screenings at the St. Vincent's Mobile Health Unit! We appreciate everyone pitching in AND hitting the dance floor for a few line dances! Despite the rain cutting us short, everyone had a great time.

Invocation & Pledge

By Christine Hoffman on Saturday, July 13, 2019

Rotary International recognizes that each club is autonomous and recognizes that each club may adhere to its own traditions and customs in the offering of an invocation at club meetings. The understanding is that these rituals are nondenominational and respecting of religious convictions and faiths of all members.

Thank you Cathy Hagan for a wonderful invocation in honor of Truckee! This was a great example of a non-traditional invocation that is meaningful and inspirational to our members.

Words of Inspiration from a dog: Be loyal; Be faithful; Don't hold grudges; Play every day; Greet everyone with enthusiasm; Have a happy attitude. Wag more, bark less; Take a nap; stretch before rising; On warm days, stop to lie on your back in the grass; On hot days, drink lots of water and lie under a shady tree; Keep digging until you find what you want; Protect those you love; If someone is having a bad day, be silent, sit close by and nuzzle them; Love unconditionally; Accept all of life's treats with gratitude.

Our tradition is to offer a brief invocation and pledge at the start of each meeting and this year, we will do so on a volunteer basis so that members may participate in a meeting where they know they will be in attendance. Please let Chris know if you'd like to volunteer for an upcoming meeting!

The invocation and pledge will be offered by:

August 20--Volunteer needed
August 27--Ken Cahill
