Parking is also available at the following locations: off Sturdivant - park facing traffic, Doctor Office center 447 Atlantic Blvd, or McDonald's parking lot.

Cathy's Perspective ♦ Serve to Change Lives

Well, our first break of the new Rotary year ♦ no meeting on Tuesday, August 3rd. Of course, you can still carve out that morning for interaction with your fellow Rotarians. Arrange to meet up for coffee (somewhere OTHER than ABBQ) with a fellow member you want to get to know ♦ or one you have known a long time. Another option ♦ attend a different club during the week (pretty sure that ♦s on the Red Badge checklist). Visit www.rotarydistrict6970.org to find out where/when all of our district clubs meet. Or one more ♦ keep it simple ♦ morning ♦ pour yourself a cup of coffee at home, sit by your computer, and sign up for a Rotary license plate at

We need 3,000 Rotarians to sign up and then the State of Florida will make them. I ♦ve done my part??

Update on Rotary Leadership Institute ♦ as a result of an increase in concern about COVID, the live RLI session scheduled for August 28th has been RESCHEDULED for Saturday, October 23rd. Additionally, all sessions are being offered online over the next couple of months. Check dacDB under RLI events on the District calendar.

Look forward to seeing you all at our social event on Tuesday afternoon. Perhaps ride your bike and ♦park♦ at our newly painted bike rack. It will be great to network with members from PVB Rotary. A great place to invite a potential member ♦ just saying. And if you ever want to pursue getting involved in so many awesome committee projects, let me know. It ♦s the annual motto ♦ Serve to Change Lives ♦ and it comes natural ♦ just ask William and his paint job.

And another pitch (I ♦m on a roll for our own incoming DG Jeff) for your Rotary license plate. Our club can really raise the bar (or plate) to get others to join in. The cost is minimal at \$35 and it only takes a couple minutes to do so.
