Rotary Opens Opportunities

Message from President Raymond

By Raymond F. Joseph

Thank you to Michel Zelnick from California for being our guest speaker. Also, I'd like to thank him for being with us 4:30 am Pacific Time. It was great to hear our newsletter editor and our Public Image club champion Kim Spencer give her craft talk. Thank you again Kim for all you are doing for our club!

October is here! Hopefully we can go trick or treating. I always enjoy eating my kids' candy and telling them I am inspecting for quality. The second day, they start to hide their candy.

The Rotary International theme for October: Economic and Community Development. As Rotarians, we are always making an impact in our community because we are People of Action! When we support service projects and purchase goods and supplies locally, we stimulate the economy. As I say at the end of my messages, "always find new opportunities for us to continue to serve our club and our customers - the community."

The second quarter invoice came out, please pay promptly!

Here is a reminder for the month of October:

We have a way to accept credit cards. If you owe for happy bucks, please see Kelly Ballard. You can visit our website <http://www.oceansidejaxrotary.org/> then go to the Donate tab at top. In the future, we will be adding more items for payment. Another one of those credit payments is the flag project. Yes, folks we are moving into the 21st century. Enjoy the ride!

This is my last hurricane message. I hope I do not jinx it. Please continue to get yourself prepared for the hurricane season till it ends on November 30. As long as you are prepared, you should not have to worry!

Make sure you sign up through NeedsConnector for our hybrid meeting October 6. Please sign up so we can get an accurate count. See you at the Jacksonville Beach Municipal Golf Club.

Have a great and fun week and always find new opportunities for us to continue to serve our club and our customers the community. Speaking of opportunities, read the Upcoming Community Service Opportunities for events.

Hello Oceanside Rotarians,

It's hard to believe we are already entering October! I know we all enjoyed Michel Zelnick's presentation and explanation of "COVID Brain" last week. Also, I was very happy to give my craft talk, and it was so nice looking out at all of the smiling faces. You'll see some fun community service opportunities coming up in this bulletin; please stay tuned for upcoming details!

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
5. Will it be FUN to all concerned?
