**Cathy's Perspective - Serve to Change Lives**

Ready for the holidays? It's November and I know everyone's calendar is filling up fast with celebrations, family time, holiday festivities and MANY opportunities to gather with our fellow Rotary friends through social and service events. The USO project last week was a great success. Coming up soon is bingo night at Culhane's on 11/9 to raise money for our education project to provide chapter books, Veterans Day breakfast on 11/11, and Salvation Army bell-ringing on 11/27 let Josh Dixon know if you have not signed up yet. And we may have something set up with Mission House this month. Plenty of information to follow.

Be prepared for an invite to help with success of CORNHOLE for a CAUSE (Saturday, 2/12 at ABBQ) to include recruiting sponsors, buying/selling tickets (for spectators and raffles), donating raffle prizes, and of course, being there to

help and have fun. This will be a major topic for our next Club Assembly at Tuesday's meeting on November 30th.

It's Foundation month so we will mention many highlights throughout our November meetings. We're talking with a group in Peru that would be a great match for our international project planned for March 2022. And we will educate all members on how we can match your contribution to be a Paul Harris Fellow. This year's theme definitely reflects the mission of the Rotary Foundation - Serve to Change Lives.

And one last note I am honored to be President this Rotary year and appreciate all who are dedicated (and delegated) to ensure amazing things have (and will) happen. And I'm not going anywhere just yet. Next step, strategic planning for the 2022/23 Rotary year (featuring Wendy Ranson who will take over the role as President). We definitely want you to consider how you can take on leadership roles to ensure the same magic happens. We will be sharing information and reaching out to explore your interests. BTW, the theme for 2022/23 - Discover New Horizons. That could be you!

**Rotary License Plates!**

Remember we must sell 3,000 vouchers statewide before they will print Rotary plates. Jeff has made it easy for us to sign up! Here is the exact page:

<https://client.pointandpay.net/web/OrangeCountyLPVoucher>

All you have to do is click on Rotary for the payment type on the top left and the rest is your vehicle details, address and credit card information (the total cost including processing is about \$35).

Remember 80% of the \$30 tag fee will come back to Rotary to be spent on youth programs and the bonus is that you get an awesome looking license plate. Please do not hesitate to reach out to Jeff if you have any questions--thanks
