Rotary Opens Opportunities

Message from President Raymond

By Raymond F. Joseph

By the time you get this newsletter, Halloween came and went and if you are like me, you are recovering from Halloween candy binge. Just remember the "holiday eating season" is coming up! I hope you all had a great week, and I am looking forward in seeing everyone again Tuesday November 3, 2020. If you joined us on October 28, we had a great speaker, Ann Lee Hussey, sharing her story and passion of polio eradication around the Rotary world and beyond. Such a great speaker! Thank you to Jeff Michelman and Rotary Club of Ponte Vedra for hosting.

The Rotary International theme for November: Rotary Foundation. The mission is "The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty." Our club has always been a great supporter of health, education, and alleviation of poverty. We are People of Action!

We have a great FUNd raiser coming up - Putt'N Frog Race on November 16. It is going to be a BLAST!! The FUNd raising committee is working very hard. Please help support this great work they are doing. The money we receive will be going out to different charity organizations. I love it, the 3 F's at work: FUN, FELLOWSHIP, and FUNDS (supporting and giving the Rotary Foundation of improvement of health, support of education, and the alleviation of poverty). Good job committee!!

From the Editor's Desk

Hello Oceanside Rotarians,

I had a great time learning the flag set-up process with Jeff Michelman and Mark Leininger! We did have a difficult time locating a couple things. Please see message from Jeff below, so we can hopefully get the project finished.

I hope that you are all staying safe during these crazy times. Several years ago Jeff Bell created special flags for us to put up at Beach Diner. These flags include two long poles and two short poles with flags on them (with a coupler on the end). It seems, however that during the flag renovation project, the short poles with the flags on them have been misplaced (perhaps they are in the middle of the storage rack). We put our flags out yesterday (Kim Spencer, Mark Leininger and I), but could not find the "short" flags for Beach Diner. If you come across these or know where we might find them, please let me know ASAP so we can put these out (904-536-6242). ~Jeff
