Cathy's Perspective - Serve to Change Lives

What a great celebration at the Rotary district vibrant club seminar. The major celebration was all of the great stuff that we accomplished back in the 2020~2021 Rotary year with then President Raymond leading the way. We were recognized with the Rotary Citation for helping Rotary open opportunities in the lives of people all over the world thanks to 100% of our club s sustaining members.

Speaking of celebrating , this week we have a bingo night at Culhanes on Tuesday at 5:30 to raise money for our chapter books to hand out to the elementary schools at the beach . and to celebrate a fun time together. We ve got a speaker Tuesday morning as well so be sure to put both on your calendar. And on Thursday morning, Veterans Day, we will be gathering at the American Legion to celebrate veterans that are members of our club and around our community. Scroll down for more details.

By the way, 2022 will be here before you know it. And we have lots of other things planned. Stay tuned to the calendar on dacDB and our bulletin. Of course, CORNHOLE will be here on February 12th and we need all members to participate one way or the other. At one of the meetings I attended at the district conference, our speaker suggested we survey our members to find out what organizations you serve outside of Rotary that might be a good partner to serve others. An interesting approach. Stay tuned.

11/9 This Week's Speaker

Nick Howland is Executive Director of The Fire Watch, Northeast Florida s fight to end veteran suicide. Nick is a Navy veteran, defense industry executive, husband and father of two boys. After serving 4 years as a Naval Officer, Nick spent the next 20 years leading U.S. defense manufacturing businesses focused on protective products for soldiers, airmen and sailors, including body armor, life rafts and tactical boats. In late 2019, Nick helped found The Fire Watch. Having spent a career working to save the lives of soldiers and sailors, Nick now works to save the lives of veterans.
