Cathy's Perspective - Serve to Change Lives

By Cathryn A. Hagan

Saturday, November 27, 2

I know it was a great week of celebrating Thanksgiving dinner, enjoying time with family and friends, the Turkey Trot, and some great football (Go Rebels and at this point, fingers crossed for the War Eagles!). Thanks to all who joined in for Salvation Army's bell ringing. A great way to celebrate the season and raise money to support this amazing organization. Reminder that we have the Angel Tree project to provide a present for a kid who needs it. Josh will be back with the list at our November 30th meeting. I remember a couple of years ago that the child I selected asked for an Easy Bake Oven. Fond memories and I found one at Target??.

BTW, the most important part of our meeting on Tuesday Club Assembly Day a great day to gather with members and make plans for the rest of this year and beyond. Our Committee Chairs will speak up about how to you can truly Serve to Change Lives. Did I mention before, CORNHOLE is at the top of the list! We need committee chairs and members to connect so everyone knows how they get to be involved and help make this a great fundraising event. Other topics to follow at Club Assembly focus on projects we are doing that rely on funds we raise. It's all about the purpose.

It is with great sadness to report that long time Oceansider John Lining passed away on Friday with his family and beloved wife Linda at his side. John was the impetus to our strong International presence in Central America. Although ALS had taken over his body, his mind was sharp until the end. It meant a lot to me and Raymond to visit John about a month ago, and Jeff and Don just last week. He was a thoughtful Rotarian who lived his life always following the Four Way Test.

Don't forget the December 17th holiday party at the Beach Museum how could you ever forget!! Sign up is on NeedsConnect and I hear rumor that those attending need to be very creative in their attire and gifts adds to the entertainment. Read on for more updates. Hoping you will all be at Club Assembly on Tuesday. It will be a fun meeting as we get into the holidays (and CORNHOLE) and sign up as we Serve to Change Lives. Tis the season.

Activities coming up quickly Salvation Army's bell ringing and Angel Tree at the top of the list. Josh Dixon will be looking for the final ask at the meeting on Tuesday. And did I mention CORNHOLE schedule for 2/12? Need everyone to participate one way or the other to RAISE MONEY to share with the charitable organizations we want to support through our club.

Be prepared for an invite to help with success of CORNHOLE for a CAUSE (Saturday, 2/12 at ABBQ) to include recruiting sponsors, buying/selling tickets (for spectators and raffles), donating raffle prizes, and of course, being there to help and have fun. This will be a major topic for our next Club Assembly at Tuesday's meeting on November 30th.

Foundation month continues in November. A reminder about the Paul Harris Fellowship. You are rewarding this honor by contributing \$1,000. Every member contributes \$100 a year. So, let's say you have been around for five year so you have contributed \$500 to the Paul Harris Fellow. So, you need \$500 more to hit your honor. So, if you contribute \$250, our club can match with 250 points so you can indeed achieve the Paul Harris Fellow. For more
