**Cathy's Perspective - Serve to Change Lives**

By Cathryn A. Hagan

Saturday, December 4, 2021

This year is flying by just two weeks away until we welcome 2022! January launches the last six months of the 2021/22 Rotary year. After we turn in our Angel Tree presents, visit Toys for Tots hosted by Dave Pesterfield, and join the Oceanside Rotary Holiday party (which is sure to be just as festive as always, if not more)! We will start the New Year off with more great speakers, service events, social gatherings, and FUNdraising. CORNHOLE is first on deck. We have officially SOLD OUT of sponsors. Yay! Next step will be for all members to sell tickets for raffles, team players and spectators.

And believe it or not, it's time to start developing our strategic plan for Rotary 2022/23 that kicks off July 1! Please give some thought to ways you can become involved in leadership ask questions and share! So many roles you can take that will help our club Serve to Change Lives.

THANKS to CORNHOLE SPONSORS!

**12/7 This Week's Speaker**

**Christina W. Kelcourse** is a native Floridian with a strong business background. She is an attorney and became a member of the Florida Bar in 2006. She ran her own law firm, in Jacksonville Florida, specializing in Estate Planning, Elder Law and Probate.

Christina started practicing finance and built her own personal financial planning practice. She learned about sustainable investing and became attracted to business responsibility. She achieved top company awards and prestigious designations of Certified Financial Planner (CFP) and Certified Retirement Planning Counselor (CRPC). She was asked to join the company leadership team and held titles of Director of Financial Planning and Managing Director, responsible for advanced markets, recruiting and developing a team of financial advisors.

Now, Christina is proud to be working independently, creating and managing Green or socially responsible retirement plans for business owners. Value based investing helps business owners make conscious choices focused on investing their company 401k, 403b or other retirement plan, on funds that promote sustainability and the triple bottom line.

During her free time, Christina spends time at the beach or hiking with her three young sons, James, Sawyer and Ziggy. She is happily married to her husband Mike Kelcourse, who owns a local recycling and composting business.
