Letter from President Clarence

By Clarence Hill on Saturday, July 6, 2019

Hope you all enjoyed the 4th and thank you to all who help with the flag project. Thank you for all the Board members who attended our first Board Meeting. There were a lot of productive discussions, whether for future projects, the budget or ideas to improve the Club. The budget is the most important issue to get approved. If you haven't turned your proposals into Ashley yet, please do so before the next Board meeting. The first Club meeting of the 2019-2020 year is also behind us. We had an informative talk from Commander Vic Gualillo on how Atlantic Beach handles the 4th of July and other big holidays, then got to see it in action. If you have any thoughts on Club issues, please don't hesitate to bring them to our attention.

District Governor Minutarian

Saturday, July 6, 2019

Dear District 6970 Rotary Presidents and Leadership,

This is the first of 52 short notes that I sincerely hope you will share with your club. We probably provide more information than ever before--maybe too much. I hope these short messages will help give you helpful information that you convey to your members.

I will send a weekly Minutarian Moment to all Club Presidents. Please share the responsibility of reading the weekly message at your meetings. **I suggest you appoint a Minutarian, and let me know who it is so I can include them in my weekly broadcast.** If you would like it distributed to others in your club, please send me their email addresses, too.

If you imitate me when you read The Minutarian, make it good. Have fun with this!

Thanks to all! Here we go, enjoy the ride! Let's have a great year!

Club Banner

By Christine Helen Hoffman on Saturday, July 6, 2019

In 1959, the Rotary International Board recognized the growing popularity of the banner exchange and encouraged clubs to "ensure that the design of their banners is distinctive and expressive of the Club's community and country." The RI Board recommends pictures, slogans or designs portraying the territorial area of the club.

These banners are used throughout the year as Rotarians visit other clubs in the US and around the world. What a better symbol of international fellowship!

Please give some thought to our current banner and this proposed design. Do you feel it represents our beaches? Would you be proud to present it to another club? There's no right or wrong answer but members should be proud of this symbol and your feedback is welcome and encouraged! Let Chris Hoffman know your thoughts at a meeting or via email--g8rchr@gmail.com.
