**IT IS AN EXCITING OPPORTUNITY TO ATTEND  
ONE OF ROTARY'S  
MOST EXTRAORDINARY AND INSPIRING EVENTS**

The proximity of the 2022 Convention will present a great opportunity to be part of what is always an exciting and inspiring event. Our District was well represented in Atlanta and it would be fantastic to again share the experience of a live, in-person event after a long, unintentional hiatus.

2022 Rotary International Convention:

Also, hotel room blocks are already selling out. To guarantee a prime location, nearest the Convention Center, members should consider making hotel reservations right away. ## END POLIO DAY OCTOBER 24TH

<https://www.endpolio.org/world-polio-day>

**October 24, 2021**

**One Day. One Focus: End Polio NOW**

Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.

As a founding partner of the [Global Polio Eradication Initiative](https://www.endpolio.org/global-polio-eradication-initiative), we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.

Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.

**IT'S A ROTARY THING!**

## SANTA FE ShareWear workday

By Diane Marie Robar on Sunday, August 1, 2021

It's happening, folks!! First work day and beginning stages of ShareWear refurbishing, thanks to [Rotary District 6970](https://www.rotary.org/en/district6970) grant monies!

Thanks to Downtown Rotarians Rob Ogelsby, Becky Hunt, Marina Jordan, and Brenda Chamberlain for partnering with [Santa Fe College](https://www.santafe.edu/), Career Service Council, and [Santa Fe College Rotaract Club](https://www.santafe.edu/rotaract) to help with the clothes sorting.

This is OUR club's project and WE club members need to do our part to help make it successful. Brenda is coordinating the volunteers for this ongoing service project. Please contact her at [brendac6970@gmail.com](mailto:brendac6970@gmail.com) to let her know you are interested in serving in this project.

There are some pre-requisites that must be completed before you can help. (see below)

Volunteers cannot begin service at SF in any capacity prior to meeting with Human Resources to complete the onboarding process and submitting the discrimination and harassment training certificate of completion.

- An appointment is necessary, however the process normally takes less than 15 minutes once we have **all required documents**:
- - **Government issued photo ID (SF Student ID does not qualify)**
  - **The discrimination and harassment training certificate of completion (training available at: <https://learn.ue.org/QV8DU191622/SFCEmployee>).**
  - You will also be fingerprinted at this time. Please let me know what day/time you are available between the hours of 9:00am and 3:30 pm, and I will see what we have available on our calendar, in order to find a date and time that works for both of us.

## HAVE SOME OLD BIKES LAYING AROUND ??

By Jim ♦ Jimbo ♦ E. Skiles III

Old, used, worn out bikes taking up space in your garage? I'm pleased to share that it can be repaired or parts recycled and given to a child for free through Lake Area Bike in Melrose. I took 2 that my grandkids had outgrown and Pete promptly offered a "grown up" replacement to my granddaughter at no charge. A donation was offered but not accepted. Just bring me more bikes so I have plenty to give away, especially needed prior to Christmas was his response. Here's the couples contact if you'd like to make a donation and I will be glad to deliver your bike (from Weds lunch mtg). Just let me know in advance. ((Jimbo))

## GRACE MARKETPLACE VOLUNTEERS

By Cheryl Poe

Downtown Gainesville Rotarians have generously given their time to volunteer at the Grace Marketplace Clothes Closet over the past several years. Due to the pandemic, we have not been able to help for the past year...but that's about to change and we will once again be able to volunteer with them.

Grace Marketplace now requires **all** volunteers to participate in a volunteer orientation before they help at Grace. These online orientations will be offered on the first Monday of each month, 6 - 7 pm.

Here is the link to sign up for the orientation:

## UPDATING YOUR CLUB INFORMATION

### UPDATING MEMBER PROFILE:

Billy Brame recently shared with the club about his experience when checking his club/personal information on our District membership platform. We used to use ClubRunner for club administration. Now we are with DACDB (District and Club DataBase).

When we moved our records from Clubrunner to DAC, some club member information apparently did not transfer over. Billy found a few areas in his club member file that needed updating and tweaking. He generously drew up a "how to" document to help you navigate the site and check your information. It is not hard to do, especially with his very clear directions.

It is up to each club member to personally take a few minutes and verify/update their information as you are the only ones who can do so. Here is the link to Billy's "how to" information. ((BIG thanks to Billy for taking the time to compose and share with club members!!))

### What are Rotarian Action Groups?

#### Rotary Action Groups support causes around the globe

Rotarian Action Groups help Rotary clubs and districts plan and carry out community development and humanitarian service projects in their area of expertise. The groups are organized by Rotarians and Rotaractors who are proficient, and have a passion for service, in a particular field.

Each group functions independently of Rotary International establishing its own rules, dues requirements, and administrative structure. Membership is open to Rotarians, their family members as well as participants and alumni of all Rotary and Foundation programs

By joining a Rotarian Action Group, you can engage in meaningful service activities outside our own club, district, or country.
