**YOUR ROTARY**

**What makes a great Rotary club?**

**YOU do.**

July, August and October are the only months looking for a speaker - finder. Please consider stepping up and helping out. Don't forget you can share a month with a fellow club member, if that works better.

We are fortunate to have two great colleges to draw speakers from, in addition to the variety of contacts you have in your profession and your circle of friends. (And of course, I am always available to help or if this is your first time to volunteer).

And a BIG thanks to all who have already signed up !

Please use the Sign Up Genius link below, so we can continue to have speakers who expand our minds and enlighten our day.

Questions? please contact me at [jimskiles3@gmail.com](mailto:jimskiles3@gmail.com)

## SANTA FE ShareWear workday

By Diane Marie Robar on Sunday, August 1, 2021

It's happening, folks!! First work day and beginning stages of ShareWear refurbishing, thanks to [Rotary District 6970](#) grant monies!

Thanks to Downtown Rotarians Rob Ogelsby, Becky Hunt, Marina Jordan, and Brenda Chamberlain for partnering with [Santa Fe College](#), Career Service Council, and [Santa Fe College Rotaract Club](#) to help with the clothes sorting.

This is OUR club's project and WE club members need to do our part to help make it successful. Brenda is coordinating the volunteers for this ongoing service project. Please contact her at [brendac6970@gmail.com](mailto:brendac6970@gmail.com) to let her know you are interested in serving in this project.

There are some pre-requisites that must be completed before you can help. (see below)

Volunteers cannot begin service at SF in any capacity prior to meeting with Human Resources to complete the onboarding process and submitting the discrimination and harassment training certificate of completion.

- An appointment is necessary, however the process normally takes less than 15 minutes once we have **all required documents**:
- - **Government issued photo ID (SF Student ID does not qualify)**
  - **The discrimination and harassment training certificate of completion (training available at: <https://learn.ue.org/QV8DU191622/SFCEmployee>).**
  - You will also be fingerprinted at this time. Please let me know what day/time you are available between the hours of 9:00am and 3:30 pm, and I will see what we have available on our calendar, in order to find a date and time that works for both of us.

## HAVE SOME OLD BIKES LAYING AROUND ??

By Jim ♦ Jimbo ♦ E. Skiles III

Old, used, worn out bikes taking up space in your garage? I'm pleased to share that it can be repaired or parts recycled and given to a child for free through Lake Area Bike in Melrose. I took 2 that my grandkids had outgrown and Pete promptly offered a grown up replacement to my granddaughter at no charge. A donation was offered but not accepted. Just bring me more bikes so I have plenty to give away, especially needed prior to Christmas was his response. Here's the couples contact if you'd like to make a donation and I will be glad to deliver your bike (from Weds lunch mtg). Just let me know in advance. ((Jimbo))
