FOR A SOCIAL get TOGETHER

Saturday, December 12, 2020
11 AM ♦ 1 PM
GeNERATIONS ROTARY PARK
5701 NW 34th Blvd (by the Senior Center)

It's been such a long time since we have seen each other and what better reason to get together than to celebrate the holidays? Although we will not be having our annual Holiday Bake Sale, we CAN do a little socializing (observing all good health practices, of course). Very casual♦ just drop by and visit for a while. Come on out, bring a chair and lunch if you want. Snacks and drinks will be provided! Great time to explore the new park, and maybe even see who is the best bocce ball or pickleball player♦!!

Bring the family!
Hope to see you all there!

DICTIONARY 2020 PROJECT

Although we could not deliver the dictionaries in person to our 3rd graders this year, the combined Rotary Clubs of Gainesville were able to get them to the various schools in Alachua County for distribution. Around 2100 dictionaries will be given out.

Next year, 2021, our Downtown club will be in charge of this annual event.

SPECIAL THANKS to Carl Smart, Jennifer Reddish, Ed Book & the Robars for helping to label and distribute the dictionaries!!! Your help was greatly appreciated!

ITS A ROTARY THING!

We need YOU!

By Jim ♦ Jimbo ♦ E. Skiles III

JIMBO is looking for a few good Rotarians to help supply speakers for the upcoming 2021 year. You know that our speakers are a valued part of each meeting and we have learned, laughed, become more educated and always enjoyed their presentations. Each of us in the club has a unique set of interests, talents and connections that we could share with our fellow Rotarians, via a speaker. It is not difficult to do. Jimbo can always give suggestions and help. We need YOUR help, especially if you have never done it or have not helped in the past couple of years. A special THANK YOU to everyone who supplied a speaker during the past year!!

RAIN BARREL OFFER

Want to help conserve and preserve our precious water?
CHECK THIS OUT!

PLEASE NOTE:

The rain barrels must be purchased directly through the [program's website](https://www.rainwatersolutions.com/products/alachua) using a credit card by December 6, 2020.

<https://www.rainwatersolutions.com/products/alachua>

ALACHUA COUNTY, FL - The Alachua County Environmental Protection Department is pleased to announce they are now offering Ivy rain barrels at a discounted price to encourage residents to conserve precious water resources and to protect water quality.

Rain barrels capture rainwater from rooftops that would typically be sent down the storm drain carrying potential contaminants and contributing to flooding. Water collected can be used for watering landscape plants and can help conserve water for our springs and rivers. The cumulative effect of rain barrels implemented throughout a geographic area can have a positive impact on stormwater management and water quality.

The retail price is \$129.00, but through this special promotion, Ivy Rain Barrels are on sale for \$75. The rain barrels must be purchased directly through the [program's website](https://www.rainwatersolutions.com/products/alachua) using a credit card by December 6, 2020.

<https://www.rainwatersolutions.com/products/alachua>

Ivy rain barrels are made in the USA of 100% recycled plastic. The dimensions are 42.5" high x 22" wide by 18" long. All parts are included (including a 3/4" ball valve, which connects to a garden hose).

Rain barrels will be available for pick up on December 12, from 9 a.m. until noon at the Alachua County Hazardous Waste Collection Center (5125 N.E. 63rd Ave., 2 miles north of 39th Avenue, off Waldo Road). While picking up rain barrels, visitors can take the opportunity to drop off hazardous wastes such as paints, CFLs, broken holiday light strings, and old electronics at the collection center. This will be a drive-thru event, and masks will be required.

For more information, contact Hollie Greer at 352-264-6827 or Hgreer@alachuacounty.us.

TRIVIA FUND

Aside from not being able to enjoy fellowship with our fellow Rotarians each week, another repercussion of having to meet virtually is that our Trivia fund, sadly, has no means by which to be replenished. Trivia serves two purposes for our club. First, it is an enjoyable part of each meeting as we either learn something new or, even better, we know the answers and are able to add more points to our final score. But even more importantly, Trivia enables our club to give back to the community, via charitable donations made by the club members who have scored the highest number of Trivia points at the end of the Rotary year.

If you would be interested in helping this tradition to continue, please continue to the Survey Monkey link below. In the Survey, you will be asked to indicate how much you would like to donate. Since we do not have meals being charged to our invoices, it may be an opportune time to consider reallocating some of those monies to this effort.

THE DONATION AMOUNT YOU CHOOSE WILL BE BILLED TO YOUR QUARTERLY CLUB INVOICE IT IS NOT A WEEKLY DONATION AMOUNT. (ie, if you select \$25, you will see only one \$25 charge on your next Rotary invoice). This donation will continue for subsequent billing cycles, unless and until we are able to return to in person meetings or you notify Billy Combs you wish to discontinue the donation. (A donation of \$25 would be the equivalent of dropping around \$2.00 in the kitty each week.)

Thanks!

MONUMENTAL ACCOMPLISHMENT

African region declared free of wild poliovirus

Rotary and its GPEI partners celebrate a monumental achievement, say global eradication of wild polio is possible with the continued dedication and persistence of Rotarians

The World Health Organization (WHO) on 25 August announced that transmission of the wild poliovirus has officially been stopped in all 47 countries of its African region. This is a historic and vital step toward global eradication of polio, which is Rotary's top priority.

After decades of hard won gains in the region, Rotary and its partners in the Global Polio Eradication Initiative (GPEI) ♦ WHO, U.S. Centers for Disease Control and Prevention, UNICEF, the Bill & Melinda Gates Foundation, and Gavi, the vaccine alliance ♦ are proclaiming the milestone an achievement in public health. They offer it as proof that strong commitment, coordination, and perseverance can rid the world of polio.

MEMBERS MOMENT

Fellowship is one of the most enjoyable aspects of being a Rotarian. Unfortunately, during this time, our ability to interact with and get to know our fellow club members has been sorely curtailed. It's great that we can continue to meet via ZOOM, but it's certainly not the same as all being together...

As a way to keep the "getting to know you" spirit going, we have added a Member Moment feature. It will be a way for us to learn a little more about each other. Stephanie Esposito will be contacting each of you in the near future to get YOUR story!

Why Rotary? My granddad, Dad and lifetime mentor Howard Hall all were men that demonstrated giving back to the community. What you might not know about Jim - Following graduation from UF and a couple years of work as the Youth Director for First Baptist Church Gainesville, Sharon and I were married and were headed to Southern Seminary in Louisville, KY for my Masters degree. At the last moment, we decided to stay in Gainesville to help build and manage Sensation Basin Skateboard Park and Sharon began her teaching career. Interesting to note, Ben & Connie's 3 boys were in my youth group at FBC and Howard Hall insured the Skateboard Park. Hmm, see the path?
