Minutarian Week 6, August 9, 2021

Happy week 6 of our Rotary Year everyone!

I am very proud to announce the addition of our newest club to the District 6970 family, The Rotary Club of Northwest Jacksonville! Congratulations to Club President Dale Moe and his very capable Board of Directors and members. This club was formed to serve a community in need. I look forward to working with this awesome group of Rotarians.

Presidents, we need to see your face.

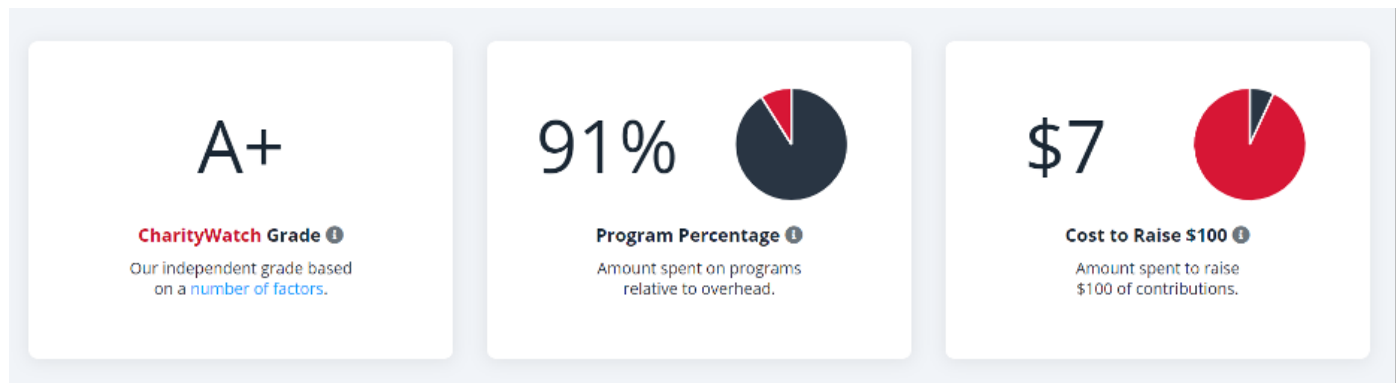

We're missing some of your pictures on our district website and we'd love to have all of your beautiful faces represented. Please take a look at [here](#). If you don't see your face there, please either upload your photo via DACdb or send me a picture that we can use and we'll help get it on the site.

How do we rate?

Have you ever wondered how The Rotary Foundation compares to other charitable organizations when it comes to maximizing dollars raised to dollars going to those in need?

It should make us all proud to represent and contribute to an organization that runs so well and does so much. See the links below to find out more about The Rotary Foundation and other charities.

Rotary projects around the globe

Rwanda

The Rotaract Club of Kie is devoted to helping schoolchildren. The club, which has raised money for the Rwandan unit of SOS Children's Villages through T-shirt sales and a charity walk, heard about pupils whose families were having a hard time meeting the expenses of public school; although education in Rwanda is ostensibly free, costs still add up. The club donated books, pens, a mathematics set, and a schoolbag for each of 15 students at the GS Gahanga I School, and covered fees and school uniforms, says Musa Kacheche, club president. The club also does smaller projects, such as street cleaning and building toilet facilities for senior citizens.

Is it the truth?
Is it fair to all
concerned?
Will it build goodwill
and better friendships
Will it be beneficial to
all concerned?"
