Speaker for Monday August 23, 2021 Steven Miles, MD, - COVID-19 Update

Senior Vice President & Chief Quality Officer

Steven Miles, MD, FACR, is Senior Vice President and Chief Quality Officer for Halifax Health. Dr. Miles is working in partnership with Halifax Health leadership and the medical staff in the development and measurement of Halifax Health's quality, performance improvement and medical safety initiatives. Dr. Miles oversees and integrates a comprehensive medical safety program as a component of Halifax Health's quality services to improve safety for our patients, visitors and employees and will lead Halifax Health toward its goal of being the safest hospital in the country.

Dr. Miles has past and present leadership and participation on a variety of Halifax Health and medical staff boards and committees. These include serving on the Halifax Health Board of Commissioners from 1999-2002 and the Halifax Fish Community Health Board from 2000-2006. He is a past president of the Halifax Health Medical Staff and has past and present membership on a multitude of quality and safety committees including the Risk Management Committee, Utilization Review Committee, Quality Council, Medical Care and Surgical Care Evaluation Committees, Quality Assurance/Performance Improvement Committee, Trauma Committee, Intensive Care Committee and Pharmacy and Therapeutics Committee. His knowledge both administratively and clinically of Halifax Health and its processes will allow him to quickly and effectively assess and implement best practices in quality and safety at Halifax Health.

A graduate of the University of Florida College of Medicine, Dr. Miles went on to complete his residency and fellowship at Shands Hospital in Gainesville. Since 1989, he has served as a clinical assistant professor of radiology for the UF College of Medicine. In addition, he is a clinical assistant professor for the Florida State University College of Medicine, as well as a member of the FSU College of Medicine Community Board.

Dr. Miles is a fellow in the American College of Radiology and has served on the Board of Governors of the Florida Medical Association and the Daytona State College Board of Trustees. He is also a past president of both the Florida Radiological Society and the Volusia County Medical Society.

Club Honored by Easterseals

By Amy Workowski on Thursday, August 19, 2021

Easterseals instituted the Lily Award in 1996 to recognize those providing exceptional leadership and support to the organization, its programs, and its mission. In 2020, Easterseals retired The Lily Award and renamed it The Power of Hope Award - the highest honor bestowed by Easterseals Northeast Central Florida. Some of the Past recipients include:

Howard Carrey Sheryl Cook Lonnie Brown Dr. Andrea Thorpe
Nancy Olson Jeff Blass Lynn Sinnott Austin Brownlee Kelly Parsons Kwiatek

Of all the dynamic prior recipients of Easterseals highest award, the Lily Award, one common theme among all of the collective accomplishments is dedication. Dedication that is sustained. Dedication that is measured by acts of true service and sincere giving. Dedication that is driven by intense passion for the clients that Easterseals serves, and the families who love them.

This year, the 2021 Power of Hope Award was presented to the Rotary Club of Daytona Beach. The Rotary Club of Daytona Beach has hosted it's annual Golf Tournament for 40+ years to benefit Easterseals mission. During the height of the pandemic, they not only conducted a successful belated 40th anniversary event, but also rallied to get back on schedule just 8 short months later for the 41st year. Both events exceeded expectations and pushed the total monies raised over the years over the \$1 million mark!!

Rotary International News - August 16, 2021

Rotary projects around the globe Rwanda

The Rotaract Club of Kie is devoted to helping schoolchildren. The club, which has raised money for the Rwandan unit of SOS Children's Villages through T-shirt sales and a charity walk, heard about pupils whose families were having a hard time meeting the expenses of public school; although education in Rwanda is ostensibly free, costs still add up. The club donated books, pens, a mathematics set, and a schoolbag for each of 15 students at the GS Gahanga I School, and covered fees and school uniforms, says Musa Kacheche, club president. The club also does smaller projects, such as street cleaning and building toilet facilities for senior citizens.

ATTENTION: RLI Date Change

By Amy Workowski on Thursday, August 19, 2021

The date of the D6970 **Rotary Leadership Institute** (RLI) originally set for August 28th has been **changed to October 16th**. The change was made after careful consideration of current COVID-19 activity. Input was received from a number of sources including the county health department. We believe this is the best choice to provide a fun event while assuring health and safety for all of our attendees.

Join us for the first time in Part 1, finish Parts 2 or 3, or sign up for the Membership Grad Class as you move toward "your year" of club leadership. For every club member, participating in RLI is an investment in the club's stability as well as each member's growth in Rotary. Then, creating a line item in your budget to subsidize all or part of the registration fee is a great tool to encourage member's RLI attendance.

A couple notes:

- v Registration for members already signed up has already been transferred and they have been notified.
 - v Members can also register directly at [HERE](#)
 - Scroll down to October 16th, click on "More Info" and follow the prompts.
 - v Discussion group size is limited, **registration closes on Tuesday, October 5th**, and no "walk ins" will be accepted.
 - v Members of the RLI team are available to make a club presentation and answers questions about RLI live or via Zoom.
- So let's spread the word and get your members registered TODAY!

We look forward to you and your club members joining us for **"In-Person" RLI on October 16th in Palm**

Coast! Contact me for more information. Thanks!
