Message from Our District Governor, July 21 2019

Did you know that August is ♦Bring a Friend to Rotary♦ Month?

Rotary is like so many other things in life: it♦s better when it♦s shared. But there are some good ways to share, and some not-so-good ways to share.

How can an invitation be ♦not-so-good♦? When somebody doesn♦t know much about Rotary, and they are told: ♦You need to come to my meeting. You need to join my club.♦ Yech. Who likes meetings? And how many requests

do we get each week to join some email scam? We learn early to find some excuse, ANY excuse, to steer clear of those invitations.

Instead, try what the very successful North Atlanta clubs do: they ask people to help in a service project. Or have fun at a social. Or hear an interesting speaker. They take the pressure off, and work hard to make their club a place that welcomes and engages visitors. They encourage members to bring a friend, and Rotary sells itself.

Learn more about these membership ideas, as well as ways to use YOUR Foundation and Public Image by attending the 3Keys2Success Seminars on Saturday morning, August 24, in Orange Park. Sign up in the DACDB calendar.

Have a great week!
Mike

Rotarians are People of Action

"Rotarians, as People of Action, support our work providing shelter to those who most need it in many ways from raising awareness and funds, to the first-hand knowledge Rotarians have of the communities we look to support."
