Last Week's Meeting:

Last week we heard from our newly installed President, Beth Taylor. She thanked all of the officers and board members that served so diligently during 2019-2020 and also the newly installed officers and board members for our current year. She also set out the Club's plan and budget for the 2020-2021 year which included a special focus on our members. Her presentation stressed that we need to keep our members at the forefront as we all endure different and sometimes difficult times during this pandemic. She also pointed to doing smaller community service projects-after all "Service Above Self" is our motto. Being present in our community we are not only fulfilling our service above self motto but we are promoting our Club and it's members. We have so many opportunities to promote the wonderful things our Club does in the community and worldwide. In these unprecedented times we are able to think outside the box and create opportunities that may not have been so visible. Remember.....ROTARY OPENS OPPORTUNITIES as this years Rotary theme states.

MEMBER SPOTLIGHT

GET TO KNOW YOUR FELLOW ROTARIAN

LAURA ZUBLIONIS aka LAURA Z
Aka "2019-2020 RISING STAR"

Rotary Opens Opportunities

Born and raised on Long Island, New York, Laura attended college at Elizabethtown College in Pennsylvania. Originally a Psychology Major, Laura fell in love with radio as everyone pushed her to work at the college station because of her "Lawn Gisland" accent (just ask and she'll tawk for you). After graduating with a Bachelor's Degree in Communications, Laura spent 6+ years working for a cluster of stations in the Hamptons, NY before moving to Florida.

Laura has done it all! Every air-shift imaginable; every genre (Hot AC, Rock, top 40), was the marketing director for 4 radio stations and even the program director and morning show host of the #1 rated Morning Show & Hip-Hop Station before moving to Florida. She even took some time away from radio to work in volunteer management, non-profit leadership development and fundraising and healthcare. And since 2017, back on the Beach 92.7FM Airwaves and hosting At Work with Laura Z, Monday-Friday from 9am-3pm and helping local businesses with marketing and advertising ideas.

Laura has been a Flagler County resident for almost 15 years; living in Palm Coast with her husband John and two daughters Hannah Marie and Ava Joy. When Laura isn't working, you usually could find her playing or watching some sort of sporting event, spending good quality time with The Z Family, including 2 Chihuahuas, or reading James Patterson books.

Guilty Pleasures: Facebook, Sports, Sunflower Seeds, Sleep and General Hospital

Member of the Rotary Club of Flagler County since January 2019.
Most Memorable Rotary Experiences—The Dictionary Project and working the Front Gate at Fantasy Lights
