Last Week's Meeting:

We heard from Nickki White, Owner of The American Flag Project! Learned a lot about our Flag.....

But first we had a presentation by PP Cindy Evans to Casey Ryan, Casey was given the 'Be The Inspiration Plaque' for being #1 in Membership, she had added 22 new members to our Club!

Our Pledge of Allegiance was written in 1880 and adopted in 1942, President Truman established Flag Day, if you cannot lower the flag to half-staff then tie a mourning ribbon to the pole, when it is displayed it should be at the highest point above all other flags, when the flag wears out it should be burned, cannot use an actual flag for clothing, Betsy Ross did not make the first flag but Frances Hopkinson did! Just a few of the many facts we learned and that the 4th of July is just a date, the day we celebrate is called 'Independence Day!' Nikki White's goal is to make Flagler County the most Patriotic County in the State of Florida!!

Our speaker for this week will be the City of Palm Coast Parks & Recreation!

Minutarian

DISTRICT GOVERNOR DISPATCH

Please say "Hi" to your new "Minutarian". (That's me.) I will bring you a brief news snippet each week from the District or from across the Rotary World.

First, a BIG thank you to Past District Governor Jeanette. She and last year's team set new records in support of Our Foundation, and started numerous new things that will continue this year! Just like our clubs, the District builds on the success of the previous year so that we constantly adapt and improve.

Speaking of success--Did you know that Rotary has a new Strategic Plan? Here are the four main points:

1. Increase Rotary's IMPACT.
2. Increase Rotary's REACH.
3. Increase ENAGEMENT.
4. ADAPT for the future.

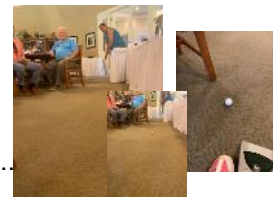

And all of that comes back to us: To really take advantage of all Rotary has to offer, it's really up to us. So, look for those opportunities to engage your passions, to meet new and interesting friends, and to grow the impact of Rotary on our community....and on yourself.

Thanks! Mike
