Minutarian Minute - 9/3

By Mike Shewey on Thursday, August 29, 2019

What an incredible experience this weekend:

There were over 200 Rotarians at our 3Keys2Success Seminar, sharing ideas about:

- How to strengthen our clubs ♦ Membership;
- How to increase our Service impact with our #1 rated Foundation; and
- How to communicate our impact through Public Image.

We also recognized outstanding clubs ♦.

Of the fastest growing clubs last year, 12 have been growing for THREE years ♦ OR MORE. Go visit these clubs. Steal their ideas ♦ it ♦ s the highest form of flattery you can give a club.

- Here they are:
 - Amelia, Arlington, Baker, Daytona West, Downtown Deland, Flagler Beach, Flagler County, Fleming, Keystone, North Jax, and Ponte Vedra Beach.
- And here are the winners last year:
 - Flagler County was #1 for big clubs, at 13% growth.
 - Baker County was #1 for small clubs, at 55%.

CONGRATULATIONS!

And remember: Stealing good ideas in Rotary is Flattery, not Felony.
Have a great week!

This Week in History 9/3

By Mike Shewey on Thursday, August 29, 2019

The American Revolution officially comes to an end when representatives of the United States, Great Britain, Spain and France sign the Treaty of Paris on this day in 1783. The signing signified America's status as a free nation, as Britain formally recognized the independence of its 13 former American colonies, and the boundaries of the new republic were agreed upon: Florida north to the Great Lakes and the Atlantic coast west to the Mississippi River.

The events leading up to the treaty stretched back to April 1775, on a common green in Lexington, Massachusetts, when American colonists answered King George III's refusal to grant them political and economic reform with armed revolution. On July 4, 1776, more than a year after the first volleys of the war were fired, the Second Continental Congress officially adopted the Declaration of Independence. Five difficult years later, in October 1781, British General Charles Lord Cornwallis surrendered to American and French forces at Yorktown, Virginia, bringing to an end the last major battle of the Revolution.
