Please Welcome Monique Chatman

Monique Chatman is a proud native of Jacksonville, Florida. Mrs. Chatman is a graduate of Florida Agricultural and Mechanical University, where she received her Bachelor of Arts in Elementary Education. She then went on to complete her Master of Education in Educational Leadership from the University of North Florida which has positioned her to be the current Principal of Venetia Elementary, which has yielded unquestionable success due to her leadership.

Mrs. Chatman has been an educator for 17 years serving in various roles throughout her career. Aside from her secular achievements and accomplishments, Monique's desire has always been to be an example among others that models Christian values enriched with the fruits of the Spirit. She does that through mentoring youth and participating in a

renowned Christian Performing Arts Company.

Monique is a published author of *Undaunted*, a women's collective devotional. Her favorite scripture is Proverbs 3:5, "Trust in the Lord with all your heart, and lean not on your own understanding." This scripture connects with the mantra she lives by, if you allow God to direct your path, He will never lead you astray. Monique is an encourager, motivator, but most of all a virtuous woman.

~Notes From the Board

The following members have been nominated to replace two Board vacancies: Tamara Baker and John Cumbow.

If elected, they will serve on the Board for the remainder of this Rotary year, through June 30, 2022. Please be prepared to vote on Tuesday, Sept 28.

Rotary - Areas Of Focus...

ROTARY - AREAS OF FOCUS SAVING MOTHERS & CHILDREN

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation all of which can be prevented. We expand access to quality care, so mothers and their children can live and grow stronger.

HOW ROTARY MAKES HELP HAPPEN

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.
