Florida Rotary License Plates

Thursday, July 29, 2021

The new Florida Rotary License Plate is available thanks to the perseverance and dedication of a team of multiple Rotary Leaders from every District in the state of Florida. Thanks to the hard work of District Governor Elect Jeff Michelman and other Rotarians across the State of Florida, we have pre-sold several hundred plates, but in order to go into production, we will need pre-sell 3,000 plates.

Anyone that may be contemplating getting a plate should pre-order now. The cost is minimal at \$35 and it only takes a couple minutes to do so. <http://floridarotarytag.com/>

Rotary Works - Helping the Helpers

Thursday, August 19, 2021

Rotary Works presents an enhanced benefit for Rotarians or Rotaractors who seek to change careers or find their next career opportunity.

Learn more at [Rotary.Works](https://www.rotary.org/en/rotary-works)

Whether you're retired, happily employed, thinking about a career change or looking for work there's something in this message for you.

As we help others we need to look toward our fellow Rotarians and identify those who might also need help. It's an unusual concept for those who live by the motto Service Above Self but there comes a time when even a Rotarian might need a helping hand to right their ship.

Please help us get the word out! We know there are fellow Rotarians and Rotaractors who can benefit from one or several components of Rotary Works. **Please share this message with others.** Want to learn more? **Invite us** to your next club or district meeting to speak. Prerecorded club programs are available at: [Rotary.Works](https://www.rotary.org/en/rotary-works).
