Roosevelt and Polio

By Richard W Bain on Thursday, September 9, 2021

When Franklin Roosevelt started a foundation to fight polio, Comedian Eddie Cantor came up with the "March of Dimes", asking people to mail a dime to the White House. They were soon overwhelmed with 2,680,000 dimes mailed to them, literally truckloads, mostly from children. These dimes went directly to research that resulted in the Polio vaccine. This is why Roosevelt is on the U.S.dime.

Rotary Leadership Institute

Tuesday, July 13, 2021

The date of the D6970 **Rotary Leadership Institute** (RLI) originally set for August 28th has **changed to October 16th**.

The change was made after careful consideration of

current COVID-19 activity. Input was received from a number of sources including the county health department. We believe this is the best choice to provide a fun event while assuring health and safety for all of our attendees.

You have already taken RLI Parts 1 & 2, so I am inviting you to join us and complete the final Part 3 class . . .

WHEN: Saturday, October 16th

Breakfast & Sign In 7:00am to 7:45am, Classes 8:00am to 3:00pm

**WHERE: Daytona State College ♦ Flagler Campus
3000 Palm Coast Pkwy, Bldg. #3, Palm Coast, FL 32137**

REGISTER: 1) Go on-line to www.rlitraining.org

2) Tap on ♦Course Information" and then click on the ♦Course Schedule♦ dropdown

3) Scroll down to "October 16th -- Palm Coast", click on ♦More Info♦ and follow the prompts

FEE: \$100.00 per Rotarian ♦ includes the class registration fee, course material notebook, breakfast, lunch, facility fees and course completion certificate

Some clubs subsidize this expense. Ask your club leadership for details

Topics discussed during Part 3 include: **Rotary History, International Service, Public Image, Leadership Strategies, Foundation Grants, and Making A Difference.** Remember, our class sessions are not lectures but are taught using the "Socratic Method." This produces fun and interesting classes through our creative discussion groups, problem solving workshops and positive role-playing sessions. Our discussion group size is limited to maximize class participation, and **registration close on Tuesday, October 5th.** Don♦t♦ miss out . . . register today! Walk-ins are not encouraged.

RLI offers the opportunity to interact with newer members early in their Rotary journey as well as members of many years all looking to expand their Rotary knowledge. You will learn from different perspectives of Rotarians from around our district. Plus you will have time for networking with those same Rotarians. And what better way to **network with Rotarians** than with food . . .

♦ The day starts with an **eye-opening buffet breakfast**

♦ There is an **energizing mid-morning break**

♦ Enjoy a **relaxing lunch your way**

♦ End the day with **fresh-baked treats!**

We look forward to having you join us again for ♦In-Person♦ RLI . . . **October 16th in Palm Coast!** If you have questions

or need a little more information, please contact me. Thanks!

Florida Rotary License Plates

Thursday, July 29, 2021

The new Florida Rotary License Plate is available thanks to the perseverance and dedication of a team of multiple Rotary Leaders from every District in the state of Florida. Thanks to the hard work of District Governor Elect Jeff Michelman and other Rotarians across the State of Florida, we have pre-sold several hundred plates, but in order to go into production, we will need pre-sell 3,000 plates.

Anyone that may be contemplating getting a plate should pre-order now. The cost is minimal at \$35 and it only takes a couple minutes to do so. <http://floridarotarytag.com/>

Rotary Works - Helping the Helpers

Rotary  Rotary
WORKS

Rotary Works presents an enhanced benefit for Rotarians or Rotaractors who seek to change careers or find their next career opportunity.

Learn more at [Rotary.Works](https://www.rotary.org/en/rotary-works)

Whether you are retired, happily employed, thinking about a career change or looking for work there is something in this message for you.

As we help others we need to look toward our fellow Rotarians and identify those who might also need help. It is an unusual concept for those who live by the motto Service Above Self but there comes a time when even a Rotarian might need a helping hand to right their ship.

Please help us get the word out! We know there are fellow Rotarians and Rotaractors who can benefit from one or several components of Rotary Works. **Please share this message with others.** Want to learn more? **Invite us** to your next club or district meeting to speak. Prerecorded club programs are available at: [Rotary.Works](https://www.rotary.org/en/rotary-works).
