Upcoming Speaker for November 12, 2020

By Elle Lynch

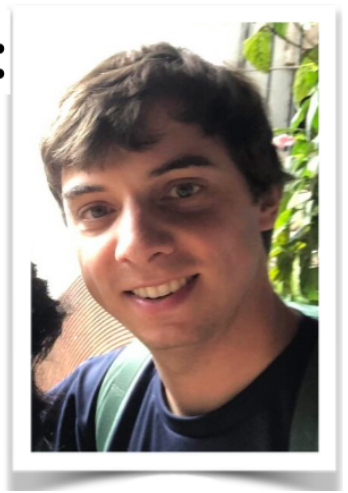

Speaker of the Week:

Forest Resener

Dir. of Comm./Operations for StoveTeam International

StoveTeam International was founded by a Rotarian with crucial assistance from her local Rotary club in Eugene, Oregon, and Rotary International. StoveTeam promotes the local production, distribution, and proper use of safe, affordable, fuel-efficient cookstoves to replace indoor open-fire cooking in Latin America.

StoveTeam's innovative model has been awarded the U.S. Environmental Protection Agency Partnership for Clean Indoor Air Award for Developing Local Markets for creating local employment while improving health and reducing air pollution.
