The best way to grow Rotary is to motivate existing members and to look for potential members who are missing. Come ready to be inspired and learn. This is not your ordinary diversity talk!

Roadside Cleanup is Feb 6th

By Denise Jones

It's that time again!

The club's winter roadside cleanup is Saturday, February 6th from 8-10 am. Meet up at Moe's parking lot on Racetrack Road. See you there!

Food Drive Donations Needed

By Denise Jones

The [SEA Community Resource Center](#) helps many families including migrant workers living in sub-standard housing and provides meals and clothing for their children. The SEA communities are Spuds, Elkton, Hastings and Armstrong.

Please consider bringing food donations on Thursday morning or drop them by Denise's home in Julington Creek Plantation at 305 W Kari Ct or to the Roadside Cleanup on February 6th.

Signature Project Ideas

By Jamie Mackey

Since we are at our heart a service club, we want to know what you, our members, are passionate about and if you see a need in our community that needs to be addressed. We are looking for a signature project for the next Rotary year starting July 1, 2021 with Denise Jones as our President. We need to have something identified soon so we can apply for a District Grant if applicable. I'll be giving each of our members a call in the next couple weeks to get your thoughts and ideas. I'll bring that information to our February Board meeting for discussion. If you want to reach out to me, feel free to call me at 904-535-8411 or email me at jpmackey81@gmail.com.
