This annual scholarship program is held by the South Jax club for students in the NE Florida region. The Nassau County coordinator brought a student from each of the 4 Nassau County high schools to give a 5-minute speech. Our club members were asked to vote on those presentations and the winner will go to the regional competition and vie for the scholarship. [Read More](#)

Unfortunately, at the time, these guys did not get a lot of attention. President Jefferson mentioned the scientific and important expedition of the two men only two months after it ended in a one-sentence summary. ([more](#))

[Andra Watkins](#), a New York Times Best Selling Author, visited our club and told us how the first two books she wrote came about.
