Practice Makes Perfect

By Caroline Blochlinger on Wednesday, February 26, 2020

Only 15 days to go to get our dance moves right. This year again Theresa Shuster agreed to develop a dance routine for our ever so popular Flash Mob at the Wine & Food Tasting.

So, every Friday up to and including the Friday before our Wine Event, we will be meeting at 7:00 a.m. to practice the new 2020 Routine. No one is too uncoordinated to learn! We welcome everyone.

For extra practice check out these YouTube videos showing the steps and the routine. So no excuse.... Let's have lots of fun!

Thank you Theresa for helping us looking so good!

HOPE Across The Globe

By Caroline Blochlinger on Friday, February 28, 2020

This is not only the message that Dr. Pablo Pella, M.D. and Dr. Vickie Lynne brought to us, but also the name of their not-for-profit organization. Its mission is to provide diagnostic services, medical prevention and treatment, education/training and supportive services to help overcome the social financial, medical and other optimal health, for people living with, exposed to or at high risk of Infectious diseases such as Hepatitis-C, HIV and other sexually transmitted infections, in an atmosphere that fosters collaboration, respect and compassion. Three Sapphires for Carol

By Caroline Blochlinger on Friday, February 28, 2020

Richard Stephens surprised Carol with a well-deserved Paul Harris Fellow pin. Both Rotarians are honorary members of our club and full members of the Rotary Club Valras-Nyons, France. Carol spoke briefly about the challenges she had at first with the language, especially when she was the president of her club in France.

She likes introducing people and managed to bring the two clubs together. There are still ongoing friendships between some of the members of the clubs. She also noted that she found the French were very welcoming contrary to some popular beliefs. When she was sick, for example, the French made sure she was well taken care of and got the proper treatment. This pin decorated with three sapphires will most likely not be Carol's last.

Thank you Carol, for all you do!
