## It's GOOD FRIDAY...

**There is NO MEETING ... it's a tradition.**

How about initiating a ZOOM meeting with your family and loved ones?  
Our club will be meeting again next week so keep that login information handy.  
**Happy Easter Weekend** to everyone and we all look forward to seeing each other next week.

## Our club is a curious bunch...

At the last meeting Jodi asked everyone think about it and to name a skill you learned in your youth that is helpful today.  
How about sharing this at the meeting next week.... We are looking forward to some fun stuff.

## District Assembly Online Training...

**For more details contact John Kublbock who asked to share the announcement below...**

Dear Presidents and Presidents-elect,

Here's the schedule for our **Virtual District Training Assembly** which will be held on **Friday, April 24th from 1:00 until 5:00 and Saturday, April 25th from 9:30 until 1:00.** Please note that there will be a Virtual Cocktail Party at 5:00 on Friday, BYOB.

All incoming officers, membership chairs, and foundation chairs are encouraged to attend and the event is also open to all interested club members. There is no registration for the event. Please share the schedule with all of your members.

The event will be held on Zoom and I'll send out the links when they are available. Please make sure that you do not share the Zoom links on social media and make sure that your members are aware of this as we would like to avoid any issues with "Zoom bombing."

We look forward to seeing everyone there!

## RLY Conference Has Been Canceled...

Hello, Rotarians!

We hope this email finds you and your loved ones healthy and safe.

You are receiving this RYLA update as you are listed as your club's RYLA contact.

First, we want to thank you and your Rotary Club for taking the time to submit your RYLA pledge and looking for the participant(s) to send during all these unprecedented times. It is all because of your efforts RYLA can happen each year. We sincerely appreciate your dedication to this life-changing conference our District puts on every year.

It is with great sadness that we send this email to you today to announce that our RYLA team is canceling this year's conference at Stetson University from June 11-14.

A detailed email has been sent to all of our Rotary Club presidents explaining the two factors that contributed to this decision. If your club submitted any participants, please feel free to relay this news to them.

As you all know, we take the safety of those entrusted in our care very seriously. With that being said, we do not feel that the Coronavirus will be adequately controlled to allow a large gathering with our participants and staff safely in June.

Our staff of former RYLAians were devastated with this news, but not defeated. They know how much our RYLA conference positively impacts those high school students selected to go, and they jumped at the opportunity to see what could be organized as a virtual option for select RYLA sessions. They are currently brainstorming the possibilities. If we feel the quality is there, we will look to extend these limited sessions to our District's Interactors. Additional information will be shared as it becomes available.

If you have any questions or concerns, please feel free to reply to this email or contact us using our phone numbers below.

Yours in Rotary Service,

Jason and Kimberly

Friends of Fernandina Aviation

March 16, 2020

Mrs. Jodi Henson  
President,  
Rotary Club of Amelia Island Sunrise  
P.O. Box 15608  
Fernandina Beach, FL 32035

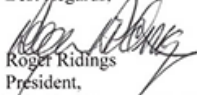

Dear Mrs. Henson:

On behalf of the Friends of Fernandina Aviation (FOFA), I want to thank you for your organization's participation in our National Flight Academy (NFA) scholarship program. Your \$3,750.00 donation will inspire and motivate three Nassau County middle school students who attend the week-long STEM program at the NFA in Pensacola this summer. Please make your contribution payable to FOFA and mail to PO Box 15561, Fernandina Beach, FL 32035. We will, in turn, make the tuition payment to the NFA. As a reminder, FOFA is a 501(c)3, not-for-profit.

We will fund 12 students for NFA again this summer. It is encouraging that the number of applications we receive continue to express an interest in the sciences and technology which our program reinforces.

We value our relationship with the Rotary and appreciate your partnership with us in providing local youth the unique NFA experience.

Best Regards,

  
Roger Ridings  
President,

Most likely everyone has learned to adapt to this new reality. We are living (hopefully only temporary) in a new normal. Our own Jen Edgington, the online presenter of the day, gave us an insight of how this new situation looks like in the world of a Realtor.
