Brian needs to know what people are doing so we can be a little organized in our efforts.

Getting to Know Cezar Gonzalez is Not a Joke

By Caroline Blochlinger on Friday, May 29, 2020

May 29 was Joke Day at the Rotary Club of Amelia Island. However, before members of the club shared their most popular jokes we heard from Cezar Gonzalez. As everyone recalls Cezar became a member of our club on February 14, 2020. ([more](#))

Cezar grew up in a small town close to El Paso, TX. As a kid he was a bit on the sickly side having suffered from ammonia and had his appendix removed. That changed and during his highschool years he became very athletic. He was a quarterback for his Highschool football team. During that time, he also became a lifeguard and that lasted into his college years. He got his business degree from the University of Texas at El Paso with a double major in marketing and business.
