Looks Like Hybrid Zoom Meetings Will Stay For a While

By Caroline Blochlinger on Thursday, July 16, 2020

New Rotary President John Kublbock completed his first hybrid zoom meeting. After some minor technical issues were resolved the meeting went on and everyone online and in the room were presented with an interesting presentation by Captain Lawrence Piper. Overall, this meeting was another success and as we are getting better with the technologies of the Hybrid Zoom meetings who knows what will be in store. Afterall, our group became professional Zoomers now we are going into the next phase of becoming professional "Hybridders".

We are looking forward to many more fun meetings under the new leadership. Thank you, John, for taking on this challenge.

When Things Get Tough Go Fishing♦

By Caroline Blochlinger on Friday, July 10, 2020

Well, Captain Lawrence Piper's current tagline is *Remember when someone took you fishing?* Really, what is better than going fishing with someone who knows the area inside out. Captain Lawrence Piper was born in Fernandina Beach and fished the creeks, the lakes, and rivers all over North Florida. He is a U.S. Coast Guard Licensed Captain, is a member of the [Amelia Island Guides Association](#), the [National Association of Charter Boats Operators](#), and the Federation of Fly Fishers.
