Contact Mickey Ulmer for more information.

## Get Involved...

### August is Membership Month...

Rotary International asked everyone to bring a name and contact info to this week's meeting. Dan Westra will bring index cards for folks to record their candidate so we can have a consolidated list. Also, think about off island candidates to help the satellite

club. For more information contact Dan Westra.

## Missing in Action...

### Who has seen our 4-Way Test banner ?

Did you notice that you had to remember the Four-Way Test without the guidance of our banner at the end of each meeting? This may a good thing, however, for newer Rotarians it would be helpful if we had the banner in place.

The last time our banner was seen was at the Installation Dinner at Burns Hall. Maybe it is sitting in the trunk of your car? If so, please bring it to the next meeting so we have our visual aid back to properly recite the 4-way test.

## Remember Last Weeks Meeting?

*The following is what you missed if you were not here last week...*

### A Call for Help from Rotarian Doug Mackle

By Douglas F. Mackle on Friday, August 2, 2019

As you will recall from last week's breakfast meeting, I spoke to all of you about a friend and customer of mine named Janan Rowland. Janan is a lovely widow lady who is suffering from cancer and other serious personal challenges. Last year, her husband Jeffrey, a well-regarded finish carpenter, died rather suddenly from stomach cancer. He had no insurance. Neither do his widow or son, including medical insurance. What the widow, Janan, does have is a growing number of folks who are rallying to her cause and trying to raise money to help pay her mortgage & other bills for her living expenses. Did I mention "other serious personal challenges?"

Aaron Bean currently represents Florida Senate District 4, which includes Duval and Nassau Counties. He is married to Abigail Abby and has 3 children, Bradley, Gray and Walker. You may remember Bradley who recently ran for office in Fernandina Beach. [Read More](#)
