Yes, there is a meeting?

Yes, we were lucky (again) on and around Amelia Island and were out of the harm of this devastating hurricane that hit the Bahamas. Hurricane Dorian was a category 5 storm with winds that reached 180 miles per hour. It battered the Grand Bahama island which has 5 Rotary clubs in District 6990. Find out how you can help with the Bahamas Hurricane Dorian Relief. ([continue...](#))

3+ Rotarians in one room = a make-up

Yes, make-ups are easy. Whenever you are together with three or more fellow Rotarians at a meeting, a party, a chamber event, etc. it counts as a make-up.

There is one catch.... You need to let our secretary, Jaime Herrmann, know. Inform her about the meeting/party and who was there, so she can give everyone proper credit.

Remember when

It was the year ___???___ when the Rotary Club of Amelia Island Sunrise's official banner was revealed. Do you remember when it was? There is only one correct answer.... 2007, 2009 or 2012?

Suzanne? Barb? You should remember....

Thank you Steve Murphy for going that extra Mile... (photo Bob Eberle)

Every couple of months there is a Club Assembly. Club Assemblies are designed to be held during a meeting and to inform club members what's new and what's going on in the world of Rotary. This is exactly what Jodi did this meeting.

According to her agenda, promptly at 7:51am, she informed the club about the outcome of the recent survey. You remember the survey that everyone was asked to fill out earlier this year. We were #3 in the District of 63 clubs in completing this survey. Note that the #1 club is a very small one and the #2 club did not let anyone leave the meeting until all the members answered the questions. We, on the other hand, did it all on a voluntarily basis. Congrats to all of us! [Read More](#)
