## Message from Brandon

By Brandon Perry on Thursday, May 21, 2020

Hello fellow Club members. If you read my President messages this is probably sounding like a broken record at this point, but, under the current circumstances the best thing I can recommend is that you plan to join our Zoom meeting as scheduled next Tuesday, the 26th. That's the best way to stay current on what our Club is working on in the community and how you can get involved. We also have exciting and timely speakers lined up for our next couple meetings, and are beginning to work on the year end Board induction ceremonies to take place later in June. Without the ability to get together in person as easily for socials and service projects right now, our regular Club meetings take on an even greater importance and relevance since they are the best (and almost only) way for us to all be together, check on one another, and share what the Club is still up to! I hope to see you next week.....

Brandon

## Club Meeting

By Rebecca Parker on Tuesday, May 26, 2020

Please join as our Club gathers virtually on Tuesday, May 26, 2020 at on Zoom starting at 5pm with a social half hour and Club Meeting starts promptly at 5:30pm. Our topic is an update on the role Ormond Mainstreet play sin our community as well as an update on several of the projects and iniativaes that affect our cummunity redevelopmetn agency (CRA) district.

A native of Daytona Beach, Ms. Julia Truilo grew up in the newspaper business as the fourth generation of Davidsons at the Daytona Beach News-Journal. Her heart, however, led her to the stage, and she spent 20 years in the entertainment industry singing, acting, producing and running theater companies small and large.

After receiving a Masters in Journalism from Columbia University, she returned to Volusia County as the Managing Director of Seaside Music Theater. In 2007, she was named the News-Journal's Director of Online Development, supervising the redesign of the

paper's website, as well as the creation of multiple community news sites.

In 2012 she became Executive Director of Ormond Beach MainStreet, where she focuses on the growth and development of Ormond Beach's historic core community. MainStreet, an 25- year-old non-profit, partners with the City of Ormond Beach in the management of the downtown CRA district, sponsors the weekly Farmers Market at City Hall and presents multiple events designed to bring residents and visitors alike into the area

## Club Anniversary!

By Joyce Pepin on Monday, May 11, 2020

Happy 3<sup>rd</sup> Anniversary to us! Three years ago, on May 1, 2017, District Governor Marshall Butler and Rotary International President John Germ welcomed the Rotary Club of Downtown Ormond Beach as a duly admitted member of Rotary International. Thank you to our charter members for joining me to start our club and thank you to all members for joining us to make Downtown Ormond an awesome club.
