Frontline workers at Baptist Medical Center Beaches enjoy a delivery from our "Feed the Frontline" effort on September 7th.

The meal deliveries keep coming this week with "Feed the Frontline." **If you're available, please join us Tuesday, September 21, at 11:15 AM at Nocatee Pieology.** We will load up food and drive to Ascension St. Vincent's Southside Hospital in Jacksonville for a lunch time delivery. **This meal will feed about 30 ICU nurses at Ascension caring for patients during the recent COVID-19 surge.**

Club member Tyler Limbaugh played a vital role in setting up this most recent food delivery. As Executive Director of Operations at Ascension St. Vincent's HealthCare, Tyler

helped identify the location that would benefit the most from our effort and cleared the logistics to make it happen. Thank you, Tyler!

As of this writing, Feed the Frontline has fed over 200 frontline workers in our area during the last few weeks. The project still has several hundred dollars in donations left to spend so keep your eyes peeled for more food deliveries to come and join us when you can!

New Member Induction

Brandon Sugg was welcomed as the newest member of the Rotary Club of Ponte Vedra at our meeting on September 14, 2021. Welcome aboard, Brandon! We are honored and excited to call you a fellow Rotarian.

Meeting Recaps

August 31: About 15 Rotarians and guests were on hand for our first ever 5th Tuesday non-meeting meeting on the patio of First Watch. A good time was had by all. Stay tuned for our next 5th Tuesday gathering in November.

Sept. 7: Our own Bob Wiltfong was the featured speaker, sharing his knowledge as a public speaking expert in the corporate world. His presentation skills included using big gestures, making good eye contact, and opening up your body language. We were also joined by fellow Rotarian, Greg Beatty, from the Rotary Club of Bangkok, Thailand on Zoom.

Sept. 14: The club inducted new member, Brandon Sugg, and welcomed feature speaker (and fellow club member), Jeremiah Blocker, to the meeting. As Chair of the St. Johns County Commission, Blocker addressed the rapidly growing population in St. Johns—44% growth with more than 100,000 new residents in the past 10 years—and the challenges that presents to a governmental structure designed for the 50's. We learned that Jeremiah and his team are working hard on infrastructure improvements including fire, police, roads, “smart” residential growth and better cooperation between schools and county.
